Defense Studies & Resource Management represents a modest attempt to encourage research on the core issues of defense and on the process of managing people in organizations in a structured and thorough manner. The Journal of Defense Studies & Resource Management (JDSRM) promotes rigorous research that makes a significant contribution in advancing knowledge in the field of defense.

Journal of Defense Studies & Resource Management uses online manuscript submission, review and tracking systems of SciTechnol for quality and quick review processing. Submit your manuscript at <http://www.scitechnol.com/submission/>
