Veterinary Science & Medical Diagnosis deals with the prevention, diagnosis and treatment of diseases, disorders and injuries in non-human animals. The Journal of Veterinary Science & Medical Diagnosis leads to scientific progress, covering Veterinary Physiology, Animal Nutrition and Pharmacology, Veterinary Medical Ethics, Veterinary Pathology, Veterinary Microbiology, Animal Husbandry, Animal Biotechnology, Veterinary Medicine and therapeutics, Animal Genetics and Breeding, Animal Vaccination & immunization and many more fields.

Journal of Veterinary Science & Medical Diagnosis uses online manuscript submission, review and tracking systems of SciTechnol for quality and quick review processing. Submit your manuscript at <http://www.scitechnol.com/submission/>
