The Journal of Fashion Technology & Textile Engineering (JFTTE), a peer-reviewed and subscription-based Journal, that promotes rigorous research that makes a significant contribution in advancing knowledge for fashion designing and textile manufacturing. JFTTE includes all major themes pertaining to advances in fashion technology and improved understanding of textile manufacturing.

JFTTE encourages ongoing international research and information exchange through publication of latest advances, research reports/ breakthroughs. The Journal aspires to provide International scientific/ scholarly communication, platform for dissemination of research through our journal publications.

JFTTE uses online manuscript submission, review and tracking systems of SciTechnol for quality and quick review processing. Submit your manuscript at <http://www.scitechnol.com/submission/>
