

WORLD BIOSIMILARS CONFERENCE

Annual Conference on
&
NEPHROLOGY AND UROLOGY

August 20-21, 2018
Chicago, USA

Accessing the promise and potential of biosimilars

James R Harris
Healthcare Economics LLC, USA

This presentation will cover the plight of biosimilar potential, challenges and opportunities within the USA. Of particular note will be the historical progress of biosimilars including but not limited to payer acceptance

and provider perspectives on utilization and uptake. Additional focus will be place upon patient empowerment and access to these new therapies.
