2020 Conference Announcement

Tissue Engineering 2020 welcomes every one of the participants, moderators, associations and exhibitors from everywhere throughout the world to Macau, China. We are pleased to welcome all of you to go to the "7th International Conference on Tissue Engineering & Regenerative Medicine" which will be held on December 14-15, 2020 at Macau, China. This Congress Committee is preparing for an energizing and enlightening meeting program including entire addresses, symposium, workshops on informative subjects, introductions and different projects for members from everywhere throughout the world. We welcome you to go along with us at the Tissue Engineering 2020, to impart significant experience to researchers from around the globe. We hope seeing you at Macau, China. We through its open Access Initiative are made plans to make genuine and strong duties to standard scientists. This meeting hopes to join the Professors, Researchers, Business beasts and technocrats to give a general social affair to the dispersing of remarkable research comes about new musings and practical improvement and discover advances in the field of tissue engineering and regenerative medicine..

Meetings International is announcing Young Scientist Awards through 7th International Conference on Tissue Engineering & Regenerative Medicine (Tissue Engineering 2020) which is scheduled at Macau, China during December 14-15, 2020. This Tissue Engineering 2020 focuses on "Trends, challenge, and leadership in tissue engineering and regenerative medicine".

Recycling 2020 and upcoming conferences will recognise participants who have significantly added value to the scientific community of environmental science and provide them outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researches by meeting experts to exchange and share their experiences at our international conferences.

Nursing Research conference operating committee is providing a platform for all the budding young researchers, young investigators, post-graduate/Master students, PhD.

students and trainees to showcase their research and innovation.

Eligibility:

Young Scientists, faculty members, post-doctoral fellows, PhD scholars and bright Final Year MSc and M.Phil. candidates. Persons from Scientific Industry can also participate.

Benefits: The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

- Acknowledgement as YRF Awardee
- Promotion on the conference website, Young Researcher Awards and certificates
- Link on the conference website
- Recognition on Meetings Int. Award Page
- Chances to coordinate with partners around the world
- Research work can be published in the relevant journal without any publication fee

Criteria:

- All presented abstracts will automatically be considered for the Award.
- All the presentation will be evaluated in the conference venue
- All the awards will be selected by the judges of the award category
- The winners of the Young Scientist Award will receive award certificate.
- The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

Guidelines:

- All submissions must be in English.
- The topic must fit into scientific sessions of the conference
- Each individual participant is allowed to submit maximum 2 papers

- Abstract must be submitted online as per the given abstract template
- Abstracts must be written in Times New Roman and font size will be 12
- Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

Conditions of Acceptance:

To receive the award, the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT, and permission within the designated timeframe will result in forfeiture of award.

Award Announcements:

Official announcement of the recipients will occur after the completion of Tissue Engineering.

Young Scientist Award
