[Montreal](#) is the largest city in Canada's Quebec province. Montreal is the second-largest population centre in Canada by population in 2016 (3,519,595) It's set on an island in the Saint Lawrence River and named after Mt. Royal, the triple-peaked hill at its heart. Its boroughs, many of which were once independent cities, include neighbourhoods ranging from cobblestoned, French colonial Vieux-Montreal – with the Gothic Revival Notre-Dame Basilica at its centre – to bohemian Plateau. Montreal has a very vibrant scene with the Montreal International Jazz Festival, the Just For Laughs Festival, the International Fireworks Festival, Les Franco Folies de Montreal, the Montreal Beer Festival, the Montreal Reggae Festival, the International Film Festival on Art, International Festival of Circus Arts, Divers/Cite Gay and Lesbian Pride, Blue Metropolis International Literary Festival, the Montreal Grand Prix and more.

USD 91.78 billion in 2017. It is anticipated to witness a CAGR of **5.6% during the forecast period. Rising prevalence of zoonotic and food-borne diseases** is one of the key trends stimulating market growth. Veterinary services play an important role in protecting animal health and welfare and ensuring safety of animals during transportation.

In addition, it also aids safeguarding public health and ensuring food safety across the globe. According to the article published by the Organization for Animal Health (OIE), demand for animal source foods is growing globally. This includes demand for meat, which is expected to reach 445 million tonnes by 2050.

Furthermore, sharp rise in pet population globally in recent times has also led to greater demand for veterinary services. Veterinarians and veterinary service providers are undertaking consistent efforts to ensure animal welfare, thus encouraging pet owners to incline towards these services.
