

## Awards 2020

### Exploring Emerging Innovations in Plant Science & Physiology

Dr. Yamini Tiwari

Assistant Professor, Department of Agriculture, Vivekananda Global University, Jaipur, India, E-mail: [yamini.tiwari@vgu.ac.in](mailto:yamini.tiwari@vgu.ac.in)

The Conference series LLC Ltd is organizing “5th International Conference on Plant Science and Physiology” which is going to be held on February 17-18, 2020 at Osaka, Japan. The theme of the conference is “*Exploring Emerging Innovations in Plant Science & Physiology*”. This conference is going to cover the entire field related to [Plant Science](#), [Crop Breeding](#), Plant Biotechnology, Medicinal plant in Pharmacognosy and [Agriculture](#).

The [Plant Physiology 2020](#) Japan conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthralment towards the conference themes. The Awards strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

#### Expert Level (Scientific Service Achievement Award)

**Expert Level:** The award is meant to the experts who have made exceptional contribution in the field of [Plant Sciences](#), [Plant Biochemistry](#), [Plant Genetic Engineering](#), [Crop Breeding](#) and [Agriculture](#) Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field.

#### Professional Level (The Research Contribution Award)

The distinguished “Research Contribution Award” at Professional Level will be awarded by the Organizing Committee of [Plant Physiology 2020](#) to the participants of 5th International Conference on Plant Science and Physiology. The award will be presented for outstanding scientific achievement or service to, [Plant Biochemistry](#), [Plant Genetic Engineering](#), [Crop Breeding](#) and [Agriculture](#). The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of Plant Science and Agriculture.

#### Scholar Level (The Upcoming Researcher Award)

[5th International Conference on Plant Science and Physiology](#) offers Scholar Level Award for the upcoming scientists, researchers and experts having **10+ years research experience** in the field of [Plant Sciences](#), [Plant Biochemistry](#), [Plant Genetic Engineering](#), [Crop Breeding](#) and [Agriculture](#). [Plant Physiology 2020](#) would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of

the award through online. Deserving nominees can be awarded online as well.

#### Women Scientist (The Women of Science Award)

[Plant Physiology 2020](#) provides a unique platform with “**Women of Science Award**” for women scientists for presenting latest research projects with an in-depth analysis in [Plant Sciences](#), [Plant Genetic Engineering](#), [Crop Breeding and Agriculture](#). We cordially invite women scholars and scientists from Universities/ Industries to who have **10+ years of research experience** to join the forum. We are happy to encourage our women scientist’s participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.

#### Outstanding speaker and Best Keynote Speaker in Plant Physiology 2020

The award “**Outstanding speaker**” is offered by the [Plant Physiology 2020](#) congress to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence [Plant Sciences](#), [Plant Biochemistry](#), [Plant Genetic Engineering](#), [Crop Breeding and Agriculture](#). The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Plant Science and Agriculture.

The award “**Best Keynote Speaker**” is offered by the [Plant Physiology 2020](#) congress to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence [Plant Sciences](#), [Plant Biochemistry](#), [Plant Genetic Engineering](#), [Crop Breeding and Agriculture](#). The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Plant Science and Agriculture.

#### Best Poster Presentation in Plant Physiology 2020

[Plant Physiology 2020](#) comprises many poster presentations and the speakers designated as poster judges will nominate one poster presenter for the Best Poster Presentation Award. Conference Series aims at to provide a platform for all the promising graduates, scientists and budding researchers to present their research work, views and different aspects of the theme Cross-Sectoral Dialogue on the Adoption of Environmentally Sustainable Innovations. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Plant Science and Agriculture. Deserving nominees can be awarded online as well.

#### Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Plant Physiology 2020

The award is designated for the Masters/Ph.D./ Post Doctorate students who can present their thesis and projects or have executed the same for the long term excellence in the field of Plant Sciences and Agriculture. Deserving nominees can be awarded online as well.
