[American Dentistry 2020](#) will be held in Vancouver, Canada from July 24-25, 2020.

American Dentistry 2020 aims to discuss the wonders happening in the ever growing field of Dentistry. This conference is an acting stage for business professionals, Dentists Directors, academicians, technicians and mainly students to showcase their innovations and new ideas. American Dentistry 2020 will have more than 100 International renowned speakers to share their latest research results to participants; the planned program will cover a variety of subjects in the field of Dentistry. The conference will also provide an opportunity for interaction and interchange ideas through posters, open discussion and program project. We strongly believe that the exchange of knowledge and experience will result in a strong global collaboration between you and us

*Are you willing to showcase research results and recent objectives achieved? During [Dental Public Health 2020](#), all participants will be able to provide at the registration desk a poster outlining your main results. Why?

Because you will have the chance to present them at the Knowledge exchange session (May 08 forenoon) and meet the authors of the speech you find most interesting during the final Networking Session!
