

2020 Conference Announcement

International Conference on Oil, Gas & Petroleum Engineering

Tarek Motawi

Professor Emeritus at Faculty of Pharmacy, Cairo University, E-mail: tmotawi@gmail.com

With the successful completion of 2018 Conference **Petroleum refinery Conference** hosted by the [Conference Series](#) was held during December 17-18, 2018 in Abu Dhabi, UAE with the theme "Recent Advancements & Upcoming Challenges in Oil and Gas Industry" offering a unique opportunity for the Chemical Engineers to meet, network, and perceive new scientific innovations". Benevolent response and active participation were received from the Editorial Board Members of Conference Series Journals as well as from the Scientists, Doctors, Professors, Nursing Lecturers, Nurses, Pharmaceutical Industries, Healthcare Industries, Researchers and Students from the fields of Chemical engineering.

The conference was initiated with the Honourable presence of the Keynote forum. The list includes:

- *"Green solvents: Applications in petroleum refinery"* by I M Al Nashif, Khalifa University, UAE
- *"Hydrocarbon potentialities evaluation for upper Bahariya reservoir at Horus oil field and its implications in field productivity, North Western Desert, Egypt"* by Ahmed Abd El- Gawad Sultan, Tharwa Petroleum Company, Egypt.

Conference series is organizing "[International Conference on Oil, Gas & Petroleum Engineering](#)" which is going to be held on November 25-26, 2020, at [Malaysia](#). The Theme of the conference is "Technology advancements in Petroleum Engineering". The conference highlights of 2020 are as

follows: Pipelines and Transportation, Upstream, Downstream and Midstream Integration, Onshore and Offshore Support, Petro Chemistry and Process Engineering, Chemical and Biochemical Engineering, Geology and Exploration, Drilling and Well Operation and latest research in Chemical engineering.

The Petroleum Engineering 2020 is expected to provide great scope for interactions of professionals including speaker presentations, workshops, poster presentations, symposia from around the globe, on a single platform.
