Petrochemical Science 2020 will encourage scientists and researchers & young researchers in their early stage of career graph to widely discuss their outcome so as to enrich and develop the idea by felicitating them with the various Awards in their respective fields. The Main aim is meant to encourage students in taking active part in the International Science platform to sharpen their skills and knowledge.

We have introduced various awards not only for Academic persons as well as also for our Business Partners. As our Sponsors and Exhibitors will get chance to expose themselves to new clients, customer, business, brand awareness and media exposure. Our sponsorship has categorized with Premium Sponsorship Packages: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Media Partner, Collaborator, Additional Sponsorship Packages and Advertisements.

We have different levels of awards and their criteria to have them:

Expert Level (Scientific Service Achievement Award): This award is the highest awards presented for the outstanding achievements in a particular discipline. It is the foremost prestigious award of the entire conference and is labelled as scientific service achievement award. The eligibility criteria for this award is that one should have minimum 20 years of experience with the relative discipline in public or non-public sector.

Professional Level (The Research Contribution Award): This scientific award is presented for the researches that have led to the important discoveries and development in the particular discipline in public or non-public sector. The eligibility criteria for this award is that one should have minimum 10+ years of experience and research knowledge in the particular discipline.

Scholar Level (The Upcoming Researcher Award): This award is presented among the emerging young researcher, scientists and special talents in the particular discipline. The eligibility criteria for this award is that one should have the complete qualification in their particular discipline and have some research data to present.

Women Scientist (The Women of Science Award): This award is presented to the Women Scientist who is

coming to our conference. This award will also encourage women working in different fields to achieve their goals and make a stand in the society.

Below mentioned are the few awards what we have introduced with our upcoming conferences and meetings:

Academic Awards (In conference):
