Young Scientist Awards at Diabetes Metabolism 2020 for the best researches in Diabetes Metabolism

Yvonne Paul

Professor, Department of Sport, Rehabilitation and Dental Sciences, Tshwane University of Technology, South Africa, E-mail: Pauly@tut.ac.za

Meetings International is announcing Young Scientist Awards through World Summit on Diabetes and Metabolism (Diabetes Metabolism2020) which is scheduled at Toronto, Canada during March 23-24, 2020. This Diabetes Metabolism conference focuses on "Collection of Advanced Therapies: Prevention of Diabetes & Metabolic Syndrome".

Diabetes Metabolism 2020 and upcoming conferences will recognise participants who have significantly added value to the scientific community of Diabetes & Endocrinology and provide them outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researches by meeting experts to exchange and share their experiences at our international conferences.

Diabetes Metabolism 2020 focuses mainly on Obesity, Diabetes and Metabolic Syndrome, Diabetes Wound Care, Endocrinology, Cardio metabolic Disease, Pathophysiology, Diabetic Nephropathy, Diabetes Eye Diseases. Diabetes Metabolism conference operating committee is providing a platform for all the budding young researchers, young investigators, post-graduate/Master students, PhD. students and trainees to showcase their research and innovation.

Eligibility:

Young Scientists, faculty members, post-doctoral fellows, PhD scholars and bright Final Year MSc and M.Phil. Candidates. Persons from Scientific Industry can also participate.

Benefits: The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

Acknowledgement as YRF Awardee

Promotion on the conference website, Young Researcher Awards and certificates

Link on the conference website

Recognition on Meetings Int. Award Page

Chances to coordinate with partners around the world.

Research work can be published in the relevant journal without any publication fee

Criteria:

All presented abstracts will automatically be considered for the Award.

All the presentation will be evaluated in the conference venue

All the awards will be selected by the judges of the award category

The winners of the Young Scientist Award will receive award certificate.

The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

Guidelines:

All submissions must be in English.

The topic must fit into scientific sessions of the conference

Each individual participant is allowed to submit maximum 2 papers

Abstract must be submitted online as per the given abstract template

Abstracts must be written in Times New Roman and font size will be 12

Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

Conditions of Acceptance:

To receive the award, the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT, and permission within the designated timeframe will result in forfeiture of award.

Award Announcements:

Official announcement of the recipients will occur after the completion of Diabetes Metabolism Conference.
