Abstract

The organizing committee members of “International Congress on Gastroenterology and Liver Transplant” have finally revealed the theme for this year’s Liver Transplant 2020” conference and it is going to be, “New Therapies to Improve Liver Transplant Outcomes”. Conference Series and the organizing committee of Liver Transplant 2020 acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Gastroenterology, and has decided to introduce various achievement awards for all the participants. Liver Transplant 2020 conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme.

The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers.

Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at Liver Transplant 2020. Expert Level: The award is meant to the experts who have made exceptional contribution in the field of Gastroenterology Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public/private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.
