

## Young Research Forum

## Young Researchers Forum - Young Scientist Awards Microbiology Conference 2020

**Dr. Yavuz Selim Silay**

Assistant Professor, University of Ankara, Turkey, E-mail:  
yavuzselimsilay@gmail.com

Prestigious Award for Young Research's at [Microbiology Conf 2020](#) - Discovering New Exploration in **Microbiology** field

**Microbiology Conf 2020 Conference Committee** is glad to announce "International Conference on Molecular Microbiology" during **December 07-08, 2020** in **Dubai, UAE**.

**Cell Biology 2020** developments are maintaining their momentum. Dentistry Conference program delves into strategic discussions.

### [Microbiology Conf 2020 Young Scientist Awards:](#)

**Microbiology Conf Organizing Committee** is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Food and Nutrition.

Young Research's Awards at **Microbiology Conf 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **Microbiology Conf** young research forum.

Submit your proposals: **Microbiology Conf 2020**

Last date for Initial application December 30, 2019 – \$399

Last date for Initial application January 30, 2020 – \$499

Last date for Initial application February 28, 2020 – \$599

### Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

### Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

**Microbiology Conf 2020** provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join **Microbiology Conf 2020** for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our **Microbiology Conf 2020** more successful.
