

## Editorial Note

## 10<sup>th</sup> International Conference on Clinical Research & Clinical Trials March 18-19, 2020 Webinar

### Editorial Note

We had a huge success with the completion of **10<sup>th</sup> International Conference on Clinical Research & Clinical Trials Webinar** on March 18 -19, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Pharmaceutical Sciences.

The conference was organized around the theme "*Revolutionary Advancements in Clinical Research and Clinical Trials*". The congress entrenched a firm relation of future strategies in the field of Clinical Research.

We would like to thank all the participants and following keynote speakers:

- Timir Kumar Shah, Divyam Institute of Psychiatry, India
- Nabil Nasr, Associate Provost for Academic Affairs & Director, Malaysia
- F.X. Frapaise, President of the French Association of Pharmaceutical Medicine, Paris
