

## 13<sup>th</sup> World Congress on Anesthesiology and Critical Care May 15-16, 2020 Webinar

### Editorial Note

We had a huge success with the completion of **13<sup>th</sup> World Congress on Anesthesiology and Critical Care Webinar** on May 15-16, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Pharmaceutical Sciences.

The conference was organized around the theme “*Measures during Anesthesia and Surgery in COVID-19*”. The congress entrenched a firm relation of future strategies in the field of Surgery.

We would like to thank all the participants and following keynote speakers:

- Nazeer Ahmed, Hamad Medical Corporation, Doha Qatar
