### Award announcement of Optoelectronics and Quantum Physics

Conference series LLC Ltd. is organizing “Global Meet on Optoelectronics and Quantum Physics” which is going to be held in the month of November 02-03, 2020 [Sydney, Australia](#). The conference offers emerging scholar awards to outstanding researchers, scientists, exceptional graduates or early academicians who have distinctive enthrallment towards the conference theme. The [Award](#) strives in providing a strong professional development opportunity for early career academicians meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

#### Expert Level (Scientific Service Achievement Award):

The award is meant to the experts who have made exceptional contribution in the field of optoelectronics and [Quantum Physics Research](#). This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this [award](#). The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

#### Professional Level (The Research Contribution Award):

The distinguished “Research Contribution Award” at Professional Level will be awarded by the Organizing Committee of OPTICS-CONF-2020 to the participants of Global Meet on Optoelectronics and [Quantum Physics](#). The award will be presented for outstanding scientific achievement or service to the discipline of Optoelectronics and Quantum Physics. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of [Quantum Physics](#).

#### Scholar Level (The Upcoming Researcher Award):

Global Meet on Optoelectronics and Quantum Physics offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Optoelectronics and [Quantum Physics](#). This conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

#### Women Scientist (The Women of Science Award):

[OPTICS-CONF-2020](#) provides a unique platform with “Women of Science Award” for women scientists for presenting latest research projects with an in-depth analysis. OPTICS-CONF-2020 invites Women scholars and scientists from optoelectronics and [Quantum Physics](#) fields. The committee encourages women scientist’s through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of Quantum Physics.

#### Outstanding speaker and Best Keynote Speaker in OPTICS-CONF-2020:

The award “Outstanding speaker” is offered by the [OPTICS-CONF-2020](#) congress to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in Quantum Information Science, [Quantum Cryptography](#), Quantum Artificial intelligence, Quantum Plasmonics, Quantum Transport And Dissipation, Quantum Logic And Simulation. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Quantum Physics.

The award “Best Keynote Speaker” ” is offered by the OPTICS-CONF-2020 conference to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in [Quantum Information Science](#), Quantum Cryptography, Quantum Artificial intelligence, Quantum Plasmonics, Quantum Transport and Dissipation, Quantum Logic and Simulation. #### Best Poster Presentation in OPTICS-CONF-2020:

[OPTICS-CONF-2020](#) comprises many poster presentations and the speakers designated as poster judges will nominate one poster presenter for the Best Poster Presentation Award. Conference Series aims at to provide a platform for all the promising graduates, scientists and budding researchers to present their research work, views and different aspects of the theme [Expanding new horizons in advances of Quantum Physics and Optoelectronics](#). The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Quantum Physics. Deserving nominees can be awarded online as well.

#### Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in OPTICS-CONF-2020:

The award is designated for the Masters/Ph.D./ Post Doctorate students who can present their thesis and projects or have executed the same for the long term excellence in the field of [Quantum Physics](#).

Deserving nominees can be awarded online as well.
