

2020 Conference Announcement

2020 Conference Announcement of Asian Pulmonology Summit

Alain L. Fymat

Professor, International Institute of Medicine and Science University of California, USA, E-mail: alain.fymat@iimas.org

[Asian Pulmonology Summit](#) invites all the participants from all over the world to attend Asian Pulmonology summits during [July 22-23, 2020](#) at Hong Kong, China with the Theme "[Neoteric Developments in Respiratory Research and Treatment](#)".

[Asian Pulmonology](#) 2020 will also provide the excellent opportunity to meet experts, exchange information, and strengthen the collaboration among Directors, Researchers, Associate Professors, and Scholars from both academia and industry. Hong Kong is an autonomous territory, and former British colony, in south Eastern China. Its vibrant, densely populated urban centre is a major port and global financial hub with a skyscraper-studded skyline. Central (the business district) features architectural landmarks like I.M. Pei's Bank of China Tower.

Hong Kong is also a major shopping destination, famed for bespoke tailors and Temple Street Night Market. Hong Kong is without a doubt one of the busiest intersections amongst China and whatever is left of the world for business voyagers. Aside from gatherings and meetings, it is likewise the best visitor goal in Asia with its draw of shopping and plenty of feasting choices. Though, Asia's worldwide city is something other than get-togethers, nourishment, and shopping. It was viewed as the world's best goal for relaxation guests and gatherings in 2012. Hong Kong was voted the "Best FIT Destination of the Year" in the China Travel and Meeting Industry Awards 2012 sorted out by travel magazine Travel Weekly. It was also termed as the "Best City for MICE Events" in the 2012 Industry Awards composed by CEI Asia Pacific magazine.

This [Pulmonology](#) & Respiratory care Congress composed of well-organized scientific sessions: Chronic Obstructive Pulmonary Disease, Pulmonary Hypertension, Tuberculosis, Lung Problems, Asthma, Pulmonary function test (PFT), Lung Cancer, Respiratory and pulmonary therapies, Paediatric Pulmonology & Critical care, Cardio Pulmonary Disorders, Emphysema and Allergic diseases. The supporting journal of this conference i.e., [A Journal of Pulmonary Medicine](#). This Journal enables authors to provide and archive supporting information such as data tables, method information and figures in digital formats so that other scientists can use it as the references for their further research.

The target audiences are Directors, Board Members, Presidents, Vice Presidents, Deans and Head of the Departments, COPD Students, Scientists, Faculty, Medical Colleges, COPD Associations and Societies, Business Entrepreneurs and Pharmaceutical companies.

About Meetings International:

Meetings International is a global leader in producing high quality conferences, meetings, workshops and symposia in all major fields of science, technology and medicine. Meetings Int. supports broad scope research and peer review at a broad range of specialists around the world. The key strategic objective of Meetings Int. is to communicate science and medical research between academia, and industry. All major conferences of Meetings International are accredited with Continuing Professional Development (CPD), Continuing Education (CE), and Continuing Medical Education (CME) Credits.

PREVIOUS CONFERENCE

International Conference on Surgery and Anesthesia

Tokyo August 06-07, 2018

Meetings International is pleased to announce International Conference on Surgery and Anaesthesia will be organized during August 06-07, 2018 in Tokyo, Japan. Surgery 2018 aims to gather eminent scientists, research scholars, notable surgeons, and educationists and professionals to express their views on the latest technologies, trends and concerns in Surgery and Anaesthesia. It focuses on addressing the constant effort being made by scientist and scholars to improve the existing and inventing novel technologies for future. The conference will also address the issues being faced by surgeons and patients and the impact of surgery and anaesthesia in world. Surgery and Anaesthesia conference provides a platform for organizations, companies, associations, societies, institutions, statutory bodies and other authorities and individuals interested in presenting their thoughts on surgery and anaesthesia procedures and services.
