Journal: Journal of Material Sciences & Engineering

From the successful completion of several International conferences in the field of Materials and [Nanotechnology](#), the Conference series is glad to include another international conference in the series. The conference is titled as "27th International Conference on Materials Science and nanotechnology" the conference will be held on July 20- July 21, 2020 at London, UK.

The special moment added in the conference is award distribution. The award is to encourage the speakers, participants, Keynote speaker; Young scientist people etc., There are several categories are introducing to provide the awards. 2. Best Speaker
3. Poster presentation Award
4. Young Scientist Award
5. Best Question Award

Best Keynote Speaker

The best keynote speaker award will be given to the people who are presenting their presentation at the [Materials conference](#) in a keynote speaker category. This award will be decided by the chairperson in the conference. This award is the most prominent and prestigious award given in the conference.

Best Speaker

The best speaker award will be given based on the research idea and how the person presenting their idea in the forum. The research idea should enhance, and it should be implemented in the real time research in the [Materials and Nanotechnology](#). The best speaker will be decided by the keynote speaker who is participating in the conference. The people could participate under the categories which they have been registered.

Poster Presentation Award

The people under poster presentation category will be awarded with the best poster presenter. This will be selected based on the fascinating idea and it should create awareness among the people about the [Materials and Nanotechnology](#). This award will be decided by the organizing committee in

the conference. The most fabulous moments are waiting in the conference to be happening.

Young Scientist Award

The conference of [Materials and Nanotechnology](#) will also recognise and provide honour to the young research people who are fascinated to bring the changes in the treatment techniques. This award will be provided to the students. This award will be provide based on the concept of research and how it will be useful for the patients in organ transplantation.

Best Questioner award
