

3rd World Summit on Neurology, Psychiatric Disorders and Mental Health

Prof. Entario Sukhareva, Department of Neuroscience, General Government Hospital, Italy

E-mail: sukhaentario78@ymail.com

Cognitive Neuroscience Congress was organized during November 12-13, 2018 at Dubai, UAE. With the support and contribution of the Organizing Committee Members, we successfully hosted the event at the conference venue.

Firstly we must thank you to our attendees because of them the conference went huge successful, where they had a global platform to discuss various important aspects of Neurology and Neuroscience.

There are infinite reasons to extend our gratitude to you for making the NeuroCognitive 2018 outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve NeuroCognitive 2018 new heights in the field of Neurology and Neuroscience.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 50 countries, who have driven this event into the path of success.

The conference was organized around the theme "Scientific gathering to unleash the new horizons in neurocognitive study". The event implanted a firm relation of upcoming strategies in the field of Neurology with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations. Alper Ibrahim Dai, Gaziantep University, Turkey and Daniela Hristova, Simbec-Orion, UK was the moderators of NeuroCognitive 2018. We are much thankful to both of them for their great support and help.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures of which the following Speakers were highlighted as Keynote speakers: Efthymios papatzikis, Professor of Educational Neuroscience Music and Sound, Canadian University, Dubai; Hadi Eltonsi, Cairo University, Egypt; Javier Fiz Perez, European University of Rome, Italy; Khurram Sadiq, Greater Manchester Mental

Health NHS Foundation, UK; Jeffrey Rediger, McLean Hospital, USA; The conference witnessed an amalgamation of peerless speakers, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Neurology through their fabulous presentations at the podium of NeuroCognitive 2018.

Conference Series LLC Ltd offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners and Editorial Board Members of Journal of Neurology & Neurophysiology, Journal of Neurological Disorders and Journal of Spine who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We thank Shubhangi Gaikwad, Saudi German Hospital, UAE and Kanan khatau Chikhal, Life Cures Wellness Clinic, India for conducting workshop at our conference. We sincerely thank the Organizing Committee Members: Maite Ferrin ReCognition Health and Honorary Clinical Lecturer University of Southampton United Kingdom; SABAH AL-RASHED Neurosurgery Consultant Prince Sultan Military Medical City (PSMMC) Saudi Arabia; Mehdi Fathi Researcher and Trainer Mashhad university, Mashhad ,ISSCH Iran; Reza Nejat Former Assistant Professor of SBMU Bazarganan Hospital Iran.

So as continuation of NeuroCognitive 2018, we would like to heartily invite you to our upcoming 3rd World Summit on Neurology, Psychiatric Disorders and Mental Health-webinar.

We look forward to seeing your benign presence with active contribution and support to make this event successful once more.
