#### 2020 Conference Announcement

Aging Meet 2019 is a global event focusing on the core knowledge and major advances in the ever-expanding field of Aging and [Geriatric Medicine](#) by attracting experts on a worldwide scale. It is an international platform to discuss the innovative researches and developments in the Aging and Geriatric Medicine. It will be a brilliant opportunity to meet prominent personalities and to learn the most recent technological progressions.

[Aging Meet 2020](#) aim is to bring together leading academic Scientists, Researchers, Engineers, and Industrialists to share their experiences and research results in their on-going project in the field of Geriatrics and Healthcare.

With great pleasure, ME conferences proudly organizing the Conference in the International level which is entitled as **"2nd Aging, Health, Wellness Conference: For a better Aging Care"** scheduled during **March 26-27, 2020** at **Abu Dhabi, UAE** which revolves around the theme **"Advancing the Future of Healthy Aging"**

#### Awards 2020

##### Expert Level

The award is recognition to the professionals who have made outstanding contributions to health and wellness development. It is the conference's most prestigious award and is designated as the Scientific Service Achievement award. The eligibility criterion for this award is that you should have at least 20+ years of public or private sector related experience. The winner of this award should

have a committed interest and take the initiative to study recent trends and innovations on related topics. You can nominate deserving of the award online.

##### Professional Level

The award for professional or academic research practice gained in the field of Aging Science in the public or private sector for experts with the most important accomplishments having 10+ years of research experience in the field of Health and Wellness. The experience of part-time work will be regarded as a pro-rata. It is measured from the date you received the (first) degree which entitles you to begin a doctorate (either in the country where the degree was obtained or in the country where the researcher is recruited), even if a doctorate was never been initiated or expected. You may apply for the award online.

##### Scholar Level

The conference is presenting the Scholar Level award for future scientists, researchers, and experts with 10+ years of [health](#) and wellness research experience. Our conference aims to offer the best platform for expanding your network by sharing your on-stage research knowledge. Presentation involves 25-30 minutes of oral debate on the conference theme-based scientific research topics along with 5-minute panel discussions. You can nominate online deserving of the award.

##### Women Scientist

Our conference provides women scientists with a unique platform for an in-depth analysis of the latest research projects. We cordially invite university/industry women

scholars and scientists with 10+ years of research experience to join the forum. We are happy to encourage our women scientist participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award online.

### Outstanding Speaker

The award honors individuals who will present their initiatives, approaches, and schemes to boost long-term performance in geriatrics.

### Best Keynote Speaker

The award recognizes the Best Keynote speakers who will present their projects, strategies, and schemes to improve long-term excellence in geriatrics. If you were accepted as a keynote speaker by Program Manager, you can nominate deserving of the award online.

### Best Poster Presentation

Students' poster competition is organized at the conference, to encourage students and graduates to show their original research. All approved abstracts will be discussed during the conference at the poster sessions. The goal of the Conference Series is to set up a platform for all aspiring scientists and researchers to present their work in real-time and share their views and aspects relevant to the conference theme. You can nominate deserving of the award online.

### Outstanding Thesis

The award is recognizing for Masters/Ph.D./Post Doctorate thesis work presentations who will exhibit their projects and thesis that have been implemented to improve long-term excellence in the field of Health and Wellness. You can nominate deserving of the award online.
