

## Awards 2020

# Awards 2020 of 14th International Conference on Pathology and Laboratory Medicine

Rafal Al-Rawi

Assistant Professor, Department of Pathology, College of Pharmacy, Hawler Medical University, Iraq, E-mail: iraqppa@yahoo.com

## Expert Level (Scientific Service Achievement Award)

**Expert level** is the most prestigious award of the conference and is labelled as scientific service Achievement Award. This award goes to the experts who have made outstanding contributions to advancing **Pathology and Laboratory Medicine**. The receiver of this award should have a dedication towards research and should take initiative in researching the recent trends and developments towards the related subjects. The eligibility criteria for achieving this award is that one should have minimum of **20+ years of experience** in the relative field in public or private sector. The deserving & potential candidates for the award can be nominated via online.

## Professional Level (The Research Contribution Award)

This **Professional Level Award** is for the professionals or academic research activity acquired in **Pathology and Laboratory Medicine** related research field in the public or private sector. Part-time research experience is counted as pro-rata. It is calculated starting from the date when an individual obtained the (first) degree entitling him to embark on a doctorate (either in the country in which the researcher is recruited or in the country in which the degree was obtained), even if a doctorate was never started or envisaged. This is for the **experts** having research knowledge at **10+ years**. The deserving candidates for the award can be nominated via online.

## Scholar Level (The Upcoming Researcher Award)

The **Scholar Level Award** is awarded to the upcoming scientists, researchers in the field of **Pathology and Laboratory Medicine**. It is for the **research experts** having **10+ years** research experience. Our conference provides the best platform to build you network by sharing your thoughts and research experiences. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference followed by 5 minutes panel discussions. The deserving candidates for the award can be nominated via online.

## Women Scientist (The Women of Science Award)

**Women Scientists** award provides a unique platform for women researchers, scientists to present latest research projects with comprehensive analysis in the field of

**Pathology and Laboratory Medicine**. We graciously encourage women scientist participants through research awards, research guidance and provide them assistance in career development through our collaborations. We warmly welcome all the women scholars and scientists from Universities/ Industries with **10+ years** of research

candidates for the award through online.

## Outstanding speaker in Pathology Meetings 2020

The **Outstanding Speaker Award** goes to the speaker who presents their strategies, projects and schemes that have been implemented to improve long-term excellence in the field of **Pathology and Laboratory Medicine**. You can do the nominations of the potential and deserving researcher online. The deserving candidates for the award can be nominated via online.

## Best Keynote Speaker in Pathology Meetings 2020

The **Best Keynote Speaker Award** is presented to the best eminent speaker who present and share their advanced research, strategies, ideologies to improve the long-term excellence in **Pathology and Laboratory Medicine**.

## Best Organizing Committee Member in Pathology Meetings 2020

This award acknowledges best member for his or her excellence support and important contribution within the conference by promoting regarding the conference to their groups, Students and laboratories. In Committee their leadership and support are aiming to be appreciable. **Organizing Committee Member** will nominate if they suggest for the conference with more than 15 participants, 50 editorials and QC for abstracts. The deserving candidates for the award can be nominated via online.

## Best Poster Presentation in Pathology Meetings 2020

**Best Poster Presentation** award goes to the best poster presented by the student, researcher during the conference. All the accepted abstracts are presented at the poster sessions during the conference. This student poster competition is organized at Conference, to encourage students and recent graduates to present their original research. Conference Series aims at setting a platform for all the budding scientists and researchers to present their real-time work and share their views and aspects related to the theme of the topic **Pathology and Laboratory Medicine**. The deserving candidates for the award can be nominated via online.

## Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Pathology Meetings 2020

The **Outstanding Masters/Ph.D./Post Doctorate thesis Work Presentation Award** is for the one who present their projects and thesis that has been implemented and is helpful to improve long-term excellence in the field of **Pathology and Laboratory Medicine**. The deserving candidates for the award can be nominated via online.
