

## Market Analysis

# Awards 2020 on Renewable & Non-Renewable Energy

**Hashem Nehrir**

*Research Professor, Electrical and Computer Engineering Department,  
Montana State University-Bozeman, USA, E-mail: hnehrir@ece.montana.edu*

Meetings International has always been at the forefront to support and encourage the scientific and techno researchers to march forward with their research work. Annual Summit on Infectious Disease & Healthcare conference offers various awards as recognition to exceptional researcher and their research work. We invite all enthusiastic researchers from all around the world join us for the 14th International Conference on Renewable & Non-Renewable Energy scheduled in Singapore City, Singapore on April 16-17, 2020.

### **Eminent Key Note Speaker Award:**

Energy 2020 will confer the Model Key Note Speaker Award to the researchers who have spent a considerable time of their academic life towards the research related to conference topic. Key note speaker award is for the researchers/speakers who have done all the hard work behind the scene. It will be a small clap for their dedication and hard work.

### **Model Organizing Committee Member Award:**

Energy 2020 will take this opportunity to facilitate eminent experts from this field with the model Organizing Committee Member award for their phenomenal contribution towards the society through their academic research. This will be a trivial but significant reorganization of their dedication and discipline.

### **Outstanding Future Researcher Presentation Award:**

The motive of this Award during the Energy 2020 conference is to appreciate research work of the budding young researcher who is continuing their research work to create a better society. The award will provide them a tremendous amount of encouragement to keep moving forward.

### **Promising Young Researcher Award:**

The educative poster award for the Energy 2020 will be endorsement for those who wishes to display their research paper through a poster and will act as a guiding force those researchers. The award will be presented to the most informative and educative research poster.

### **Educative Poster Award:**

The educative poster award for the Infectious Disease 2020 will be endorsement for those who wishes to display their research paper through a poster and will act as a guiding force those researchers. The award will be presented to the most informative and educative research poster.

### **Criteria:**

- All presented abstracts will automatically be considered for the Award.
- All the presentation will be evaluated in the conference venue

- All the awards will be selected by the judges of the award category
- The winners will be formally announced during the closing ceremony.
- The winners of the Poster Award will receive award certificate.
- The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

### **Guidelines:**

- All submissions must be in English.
- The topic must fit into scientific sessions of the conference
- Each individual participant is allowed to submit maximum 2 papers
- Abstract must be submitted online as per the given abstract template
- Abstracts must be written in Times New Roman and font size will be 12
- Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference
- Each poster should be approximately 1x1 M long. The title, contents and the author's information should be clearly visible from a distance of 1-2 feet.
