About Venue:

Miami, City of Miami-Dade County, southeastern Florida, U.S.A primary transportation and business hub, Miami is a leading resort and Atlantic Ocean port situated on Biscayne Bay at the mouth of the Miami River. The downtown skyline of Miami features a modern look, with a large collection of gleaming glass-walled skyscrapers accented with neon lighting at night. The Brickell neighborhood just south of the city’s historic central business district, became one of Miami’s fastest-growing neighborhoods and is the city’s major financial district. More than 70 percent of the population is Hispanic/Latino. Indeed, the city’s familiarity to Latin America is especially well represented in its ethnic neighborhoods. The Little Havana district, just west of downtown, expanded as a largely Cuban enclave within the city. Its yearly Calle Ocho festival (March; part of the Carnaval Miami celebration) draws large crowds of visitors. A typical climate helps to make Miami one of America’s great winter resorts, and tourism is a major component of the city’s economy. The miles of shoreline are lined with glittering skyscraper hotels and are dotted with marinas, yacht clubs, and golf courses. The city is also a mean of international banking and finance, business services, manufacturing (including apparel, medical equipment, pharmaceuticals, printing, and metal products) and international commerce.
