Dear Colleagues,

We are delighted to announce our World Nephrologist Meeting scheduled from October 05-06, 2020 at Boston, USA.

The main goal of organising this event is to bring out the hidden talents, ideas and dreams of the people, who want to become an expert in Nephrology. This conference will provide an international platform to present all their skills, to meet the inspiring personalities, open-up new perspectives, design tomorrow's research agendas etc.

Nephrology 2020 invites people all over the world invariable of age to discuss the wonders happening in the ever growing field of Nephrology. Conference aims to bring Experts, scholars, eminent personalities and students from both academic and industrial fields throughout the world under single roof.

Boston is the capital and most crowded city of the Commonwealth of Massachusetts in the United States. Boston is a flourishing port city. The city is the financial and social stay of a considerably bigger metropolitan zone known as Greater Boston, a metropolitan measurable territory (MSA) home to an evaluation that assessed 4.8 million individuals in 2016 and positioning as the tenth-biggest such region in the nation. As a joined factual zone (CSA), this more extensive driving area is home to some 8.2 million individuals, making it the 6th generally crowded in the United States.

Then what are you waiting for, come let us meet there and learn and share more.

If you have any questions about the conference, please do not hesitate to contact Andrea Lorenzo by phone at +44 (167) 53 40 008 or by email: nephrology@lexisevent.com
