Prestigious Award for Young Research's at {Drug Discovery Congress 2020} - Discovering New Exploration in Pharmaceutical and Health Sciences

Drug Discovery Congress committee is glad to announce 7th International Conference on Drug Discovery and Toxicology during July 13-14, 2020 Helsinki, Finland

[Drug Discovery Congress 2020] developments are maintaining their momentum. Pharmacy Conference program delves into strategic discussions.

Pharmaceutical Chemistry is the study of drug design to optimize pharmacokinetics and pharmacodynamics, and synthesis of new drug molecules (Medicinal Chemistry 2020). Pharmaceutical Chemistry is a branch of chemistry that deals with the chemical, biochemical and pharmacological aspects of drugs. It includes synthesis/isolation, identification, structural elucidation, structural modification, structural activity relationship (SAR) studies, study of the chemical characteristics, biochemical changes after drug administration and their pharmacological effects as well as analysis of drugs. In more simple words it is more broader than medicinal chemistry in its application also in the fields of analysis, identification, as well as, structural elucidation of drugs.

[Drug Discovery Congress 2020] Young Scientist Awards:

{Drug Discovery Congress 2020} Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Pharmacy and Drug Discovery

Young Research's Awards at [Drug Discovery Congress 2020] for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the [Drug Discovery Congress 2020] young research forum.

Submit your proposals Drug Discovery Congress 2020

Last date for Initial application December 30, 2019-\$399

Last date for Initial application January 30, 2020-\$499

Last date for Initial application February 28, 2020-\$599.

**Pharma Conference 2020 Young Scientist Awards:**

**Benefits:**

- Young Scientist Award reconingation certificate and memento to the winners

- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

**Eligibility:**

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

[Drug Discovery Congress 2020] provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join [Drug Discovery Congress 2020] for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our [Drug Discovery Congress 2020] more successful.Previous conference photo gallery link
