Editorial Note for Clinical Oncology: Case Reports

Adina Bernice

I am pleased to mention that during the year 2019, all issues of volume 2 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. Clinical Oncology: Case Reports during this year also brought out 35th International Conference on Oncology Nursing and Cancer Care on Cancer and Tumor Research conference proceedings, which consisted of ~ 10 abstracts.

The JCR Impact factor of Clinical Oncology: Case Reports for the year 2019 was 3.7, while the current SJR index raised to 0.856. The H-index of the journal, however, increased to 12 and Clinical Oncology: Case Reports ranked seventh among all journals in the field of Oncology Sciences published in India, 22nd in Asia and 54th in the world.

During the calendar year 2019, Clinical Oncology: Case Reports received a total of 76 papers, out of which 56 articles (73%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 20 articles were subjected for publication after they are accepted in the peer review process. In the 3rd issues of Volume 2 published during the year 2019, a total of 5 articles were published (at an average of 5 articles per issue) of which, articles were published from authors all around the world. A total of 44 research scientists from all over the world reviewed the 51 articles published in volume 2. Average publication lag time of an article was further reduced to 2-3 weeks.

During the calendar year 2019, a total of 16 Editors, 44 Reviewers joined the board of Clinical Oncology: Case Reports and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of Editor-in-Chief: Dr. Kailash C. Chadha, during the final editing of articles published and the support rendered by the editorial assistant Adina Bernice in bringing out issues of Clinical Oncology: Case Reports in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of Clinical Oncology: Case Reports, the office bearers for their support in bringing out yet another volume of Clinical Oncology: Case Reports and look forward to their unrelenting support to bring out the Volume 3 of Clinical Oncology: Case Reports in scheduled time.
