

### **Editorial Note for Research Report on Mathematics**

I am pleased to introduce Research Reports on Mathematics (RRM), Open Access, peer reviewed Journal dedicated to publish high quality articles covering wide range study areas of Pure and Applied Mathematics. The Journal aims to provide a platform for mathematicians, academicians and scientists for disseminating reports on Mathematics Research and insights into interdisciplinary applied mathematics.

All the articles submitted to the Journal- Research and Reports on Mathematics will undergo double blind peer review process through the Editorial Manager System. The Editorial Manager System helps in maintaining the quality of the peer review process and provides easy access to the authors to track the status of the manuscript, including evaluation and publication in an automated way.

I am pleased to announce that, all issues of volume 4 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online during the year of 2020.

The journal accepts original articles emphasizing on all the major areas of Mathematics such as Algebra, Geometry, Number Theory, Analysis, Topology, Arithmetic, Combinatorics, Computational Mathematics, Calculus, Mathematical Physics, Biomathematics, Probability Theory, Statistics, Operational Research; and electronic versions of all the publications will be available under open access platform.

During the calendar year of 2019, JLOP received a total of 40 manuscript, out of which 30% articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 15 articles were subjected for publication after they are accepted in the peer review process. In the issue of Volume 3 published during the year 2019, a total of 2 articles were published (at an average of 2 articles per issue) of which, articles were published from authors all around the world. Globally articles have been accessed by the research scientists and also cited.

During the calendar year 2019, a total of two Editors, seven Reviewers joined the board of JOM and contributed their valuable services towards contribution as well as publication of articles, and their valuable reviewer comments will beneficial to publish quality of article in the Journal.

I take this opportunity to acknowledge the contribution of our reviewers for their exceptional support during the open access process and the managing editor during the final editing of articles published and the support, in bringing out issues of JEES in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of JCLS, the office bearers for their support in bringing out yet another volume of JCLS and look forward to their unrelenting support to bring out the Volume 9 of JCLS in scheduled time.
