Young Research's Awards at [Future Nursing 2020](#) for the

Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Future Nursing 2020 young research forum.

Benefits:

Young Scientist Award recognition certificate and also memento to the winners.

Our conferences provide best Platform for your research through oral presentations.

Learn about career improvement with all the latest advanced technologies by networking.

Young Scientists will get appropriate and timely information by this Forum.

Our conferences provide a unique platform to Young Researchers and also Investigators for presenting their latest research projects, ideas and the excitement that goes with them

Exposure to the latest advanced research tools and technologies in the field for specific research.

A platform for collaboration among young researchers for better development.

Networking and establishing collaboration among the young researchers and diverse institutions

Provide an opportunity for research interaction and also established senior investigators across the globe in the field.

Expansion of opportunity for collegial interaction with other young investigators and also established senior investigators across the globe.

Share the ideas with both eminent researchers and mentors.

Graduates are motivated by the chance to choose neighbourhood or the worldwide subjects of pertinence/enthusiasm to them, and build up their own logical examinations and models drawing in locally or universally.

Possibility to interact and share their ideas with both peer groups and mentors.

Opportunity for young researchers to learn about other 'cutting edge' research area fields.

Conferences provide an awesome platform to all budding scientists and researchers to present their 'real-time research' and share their views and thoughts

It's a great privilege and also an honour for young researchers to learn about the research areas for expanding their research knowledge.

Entitlement:

Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience

Presentation must be into scientific sessions of the congress..

Each Young Researcher / Young Scientist can submit only their one paper (as first author or co-author).

Age limit-Under 35yrs

All submissions must be in English.

[Future Nursing 2020](#) provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join **Future Nursing 2020** for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our **Future Nursing 2020** more successful.
