Awards

[Meetings International](#) recognizes the commitment and amazing work in all fields of academics and research. By recognizing their contribution; Meetings International inspires and motivates scholars, researchers and academics by awarding the Best YRF and Researcher Awards in all academic disciplines and categories along with other specific awards. These awards include prestigious Certificate of Award with other gifts.

[Best Poster Award](#)

To be eligible for the award Students interested in having their posters considered for the [Advanced Dentistry 2020](#) conference, they must have submitted an abstract of their poster to the conference. The award committee will consider all posters that relate to the study of public opinion, whether they focus on theory, substantive findings, research methods, and/or statistical techniques used in such research. All posters will automatically be considered for the Poster Award and the posters will take place in the conference venue and Poster Judges will select the best posters. The winners will be formally announced during the closing ceremony. The winners will receive a certificate award.

[Outstanding Masters /Ph.D. /Post. Doc Thesis work presentation Award](#)

[Advanced Dentistry 2020](#) gives the opportunity to young researchers in the different field of conferences. The best participants are selected as per their research abstract before the conference. If you are a young and dynamic

Researcher than you can join our conferences to explore new idea and research. A panel of judges will select the best YRF. Best YRF will be recognized publicly at the end of the conference. The Best [YRF Award](#) will be given to the most outstanding presentation presented by a participant who has registered under the student category. Undergraduates, Master students, and Ph.D. students will be considered under this category. Selection of the YRF will be made on the basis of the participant contribution in the respective research field each submission will be accepted based on the sessions of the conference. Irrelevant submissions will be rejected. The acceptance and rejection of abstract submissions will be selected by the committee. All submissions will go through a quality checking. Final approved abstract will consider for [YRF award](#).

[Keynote Speaker Award](#)

[Advanced Dentistry 2020](#) chooses a relevant keynote speaker to speak at conference. All accepted keynote speakers proposals will be considered for the [Best Keynote Speaker Award](#). The committee will select a number of candidates for the award among the accepted proposals. The winner will be selected at the conference, taking into consideration both the proposal and the presentation. Best keynote speaker can help to boost motivation, change their way of thinking and make audience energized and inspired. For Keynote the person should be eminent or highly affiliated like Dean, Professor, HOD, Chair persons, CEO, CFO, MD etc. Selection of the Best [Keynote Speaker](#) will be made on the basis of the participant contribution and years of

experience in the respective research field. Each submission will be accepted based on the quality of [abstract](#) and [conference theme](#). Irrelevant submissions will be rejected. The acceptance and rejection of abstract submissions will be selected by the Organizing committee. All submissions will go through a quality checking. Final approved abstract will consider for [Keynote award](#).

[Outstanding Speaker Award](#)

[Advanced Dentistry 2020](#) believes in recognizing our best speaker. The best speaker is selected as per their research abstract before the conference. All winners are determined by a selection panel. This award is designed to recognize and identify outstanding speakers who have achieved recent extraordinary eminence and success. Being an outstanding speaker means to deliver a message that engages an audience. The outstanding speaker award will also be given on the basis of organization and professionalism of presentation, communication skills of the presenter and appropriate use of time. Each session will be evaluated separately. For speaker the person should be Professor, Researcher, Scientist, and Entrepreneur etc. Selection of the Speaker will be made on the basis of the participant contribution in the respective research field. Each submission will be accepted based on the quality of abstract and conference sessions. Irrelevant submissions will be rejected. The acceptance and rejection of abstract submissions will be selected by the [Organizing committee](#). All submissions will go through a procedure of quality checking by our team. Final approved abstract will consider for outstanding speaker award.

[OCM Award](#)

The [organizing committee](#) can avail in the process of managing the multiple tasks that need to be done. Committee members, having a good erudition of the event management plan, are well placed to provide training, supervision and assistance to other personnel involved in the organization of the event. [Meetings International](#) will honor as a best OCM the individual who has demonstrated their support and guidance throughout the conference. OCM should be eminent or

highly affiliated like Dean, Professor, HOD, Chair persons, CEO, CFO, MD etc. Selection of the best OCM will be made on the basis of the participant contribution and years of experience in the respective research field. They must have good number of research papers and citations and should be more number of years of experience.
