### Conference Announcement 2020

We are happy to announce the Global Nursing and Health Care Conference scheduled to be held in Amsterdam, Netherlands on March 15-16, 2021.

The theme for the Nursing Meet 2021 is “*Modern Exploration Technologies of Advanced Plant Science and Natural Resource*”

Nursing Meet 2021, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Our Nursing Meet 2021 focuses to create a medium to connect eminent personalities from different backgrounds of Plant Science including Biology, Traditional medicine, Herbal medicine, Plant [Science research](#), Natural resources, Yoga, Marine biology and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The additional tracks for this edition of our Bio technology conference include [Ethnopharmacology](#), Ayurveda & Homeo Medicine, [Nursing Research](#) in Traditional Medicine and much more.

Nursing Meet 2021 expects to compile 150+ participants mainly from Plant Science Associations, Research Scientists, Bio Technology Industries, Plant Science Researchers, Business Entrepreneurs, Environmental Academia, Biologists, Green Energy Training Institutes, Chemical Engineers, Environmental Engineers, [Waste Management Associations](#), and Chemical Industries.

The scientific contributions towards our London Plant Science conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Nursing Meet 2021 conference to attain greater heights and success.

Nursing Meet 2021 welcomes all the professionals, professors, students, research and environmental enthusiasts, business delegates to venture into complete Plant Science experience at Amsterdam, Netherlands on March 15-16, 2021.

Nursing Meet 2021 expects to compile 150+ participants mainly from Plant Science Associations, Research Scientists, Bio Technology Industries, Plant Science Researchers, Business Entrepreneurs, Environmental Academia, Biologists, Green Energy Training Institutes, Chemical Engineers, [Environmental Engineers](#), Waste Management Associations, and Chemical Industries.
