

Herpetetic infections and acupuncture treatment

Franco Menichelli

Sapienza University of Rome, Italy

Abstract

Herpes infections are widespread. In this paper I will talk specifically about herpes zoster, where acupuncture can be considered as the treatment of first choice. I will explain the mechanism of action of acupuncture in this pathology, the treatment protocol and the clinical results.

Biography

Franco Menichelli is the President of the Italian Acupuncture Association. Director of the School of Energy and Traditional Acupuncture in Rome. 40 years of clinical and teaching experience. He authored 15 books including a treaty on Acupuncture 5 volumes.
