

International Conference on Virology and Microbiology

We would like to thank all of our wonderful keynotes, speakers, conference attendees, students, associations, media partners and guests for making virology Congress 2020 a successful and splendid event.

Allied Academies hosted the event of “**International Conference on Virology and Microbiology**” with the theme “**Exploring the Latest Challenges to Eradicate the Infectious Diseases and Virology**”. Benevolent response and active participation was received from the Editorial Board Members of supporting International Journals as well as from the leading academic scientists, researchers, research scholars, students and leaders from the fields of Virology and Microbiology who made this event successful.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 18 countries, who have driven this event into the path of success. The conference highlighted through various sessions on current retroviral research.

Virology Congress 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the fields of Virology and Microbiology.

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

Coronavirus (COVID-19)

Virology viral Classification and Evaluation of Viruses

Emerging-viruses

Neuro-virology

Molecular Virology

Immunology and Vaccinology

Clinical Virology

Plant and Agricultural Virology

Sexually Transmitted Viral Infections

The conference proceedings were carried out through various Scientific-sessions and plenary lectures. The conference was embarked with an opening ceremony followed by a series of lectures delivered by both Honourable Guests and members of the Keynote forum. The adepts who promulgated the theme with their exquisite talk were:

Balasaheb Kapadnis | UGC Emeritus Professor | S P Pune University, India.

The event enlightened various areas of Virology and Microbiology with Workshops and plenary lectures from the speakers of various universities and organizations like

Muralidharan Velappan | AMET University |India.

Rajesh Raghunath Pharande | Bombay veterinary | India

Sangeeta Ahiwale | Rayat Shikshan Sansthas Mahatma Phule mahavidyalaya | India

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance towards the success of Virology Congress 2020.

With the grand success of **Virology Congress 2020**, Allied Academies is proud to announce the “**2nd International Conference on Virology and Microbiology**” to be held during **March 22-23, 2021** in **Paris, France**.
