

## Past Conference Report

### Past Conference Report on Nursing Research and Evidence Based Practice

**Kuldeep Singh**

Director, Nursing, Ultrasound and Color Doppler Clinic, India, E-mail: singhdrkuldeep@rediffmail.com

[Meetings International](#) successfully anchored its leading "2nd International Meeting On Nursing Research and Evidence-Based Practice" slated on March 19-20, 2018 at Singapore City, Singapore.

[Nursing Meeting 2018](#) is distinguished with the attendance of editorial board members of supported journals, scientists, young and brilliant researchers, business delegates and talented student communities representing more than 25 countries, who made this conference rewarding and fecund.

Our International Meeting on [Nursing Research and Evidence-Based Practice](#) was based on the theme "Exploring latest innovations & current challenges in nursing" which has encrusted the below-

The conference was initiated and embarked with an opening ceremony followed by a series of lectures delivered by members of the Keynote forum and Speakers. The peerless people who promulgated the theme with their exquisite talks were:

- Michelle Carter, University of London, UK
- Hana Kadhom, University of Royal College of Surgeon Bahrain, Ireland
- Mushtaq Chalkoo, GMC-Srinagar, India
- Gail Stuart, Medical University of South Carolina, USA
- Manjubala Dash, MTPG & RIHS, India

[Meetings International](#) wishes to acknowledge with its deep sincere gratitude to all the supporters from the editorial board members of our open access journals, keynote speakers, honourable guests, valuable speakers, poster presenters, students, delegates and special thanks to the media partners (Tabeey, Clocate.com, Trade Winds, CrowdReviews.com, EIN Presswire) for their promotion to make this event a huge success.

[Meeting International](#) on behalf of [Organizing Committee Members](#), Editorial Board Members and Poster Judge congratulates the Best poster award for their outstanding contribution in the field of Nursing Research and simultaneously encourage all the participants who tried to put their efforts in poster presentations and wish them success in their future research.
