

Past Conference Editorial of Emerging Materials Congress 2020

Conference Series LLC Ltd hosted the “[Emerging Materials 2020](#)”, during August 31-September 01, 2020, Webinar with the theme, “Promote Modern breakthroughs in the field of Materials Science and Nanotechnology during COVID-19”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We extend our grateful thanks to all the momentous speakers, conference attendees who contributed towards the successful run of the conference.

Emerging Materials 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of Emerging Materials and Nanotechnology.

Emerging Materials and Nanotechnology Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

Conference Series LLC Ltd extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “Emerging Materials 2020”.

- Asitha Malikaramge, Postgraduate Institute of Science, University of Peradeniya, Peradeniya 20400, Sri Lanka.
- Jianwei Xu,, Institute of Materials Research and Engineering (IMRE), the Agency for Science, Technology and Research (A*STAR), Singapore

Conference Series LLC Ltd is privileged to felicitate Emerging Materials 2020 Organizing Committee, Keynote Speakers, Chairs and also the Moderators of the conference whose support and efforts made the conference to move on the path of success. Conference Series LLC LTD thanks every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of Emerging Materials.

Conference Series LLC Ltd is glad to announce its “[19th International Conference on Emerging Materials and Nanotechnology](#)”, which will be held during **September 08-09, 2021** at **Berlin, Germany**. We cordially welcome all the eminent researchers, Presidents, CEO's, Emerging Materials and Nanotechnology and researchers in Emerging materials, Delegates and industrial executives after Biomaterials and Tissue Engineering, Software developing companies, Training Institutes, Young researchers, Data Management Companies, students and delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of Paediatrics with **20%** abatement on the Early Bird Prices.

Bookmark your dates for “**Emerging Materials 2021, Berlin**” as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
