The **4th World Congress on Patient Safety & Quality Healthcare (Patient Safety -2019)** hosted by **Conference Series** took place at **Mercure Wien Westbahnhof, Vienna, Austria during June 27-28, 2019.**

It was organized by Conference Series and generous response was received from the Editorial Board Members of our Group Journals as well as from eminent scientists, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2019 from Conference Series.

The two day program witnessed thought provoking keynote and plenary presentations from experts in the field of Patient Safety highlighting the theme "**Consolidating Knowledge to Improve Patient Safety & Quality Care**".

The conference has been carefully designed so as to acknowledge the various recent researches going on in the field of patient safety & healthcare. In addition to the paper presentations, the conference will provide its attendees to attend sessions of presentations and debates, workshops and symposiums as well as poster presentations. This conference on Patient Safety 2020 will deal with various tracks from the different fields of Patient Safety and Healthcare. The congress provides you with a unique opportunity to meet up with peers from both industry and academia. We co-ordinally invite all concerned people to come and join us at our event and make it a successful one by your esteem participation.

A vast array of topics will be discussed in the congress which includes Patient Safety, Healthcare, Occupational Health & Safety, Nursing Education, Clinical Trials, Nursing Care & Practice, Errors in Patient Safety, Public Health. At Conference series it is our ideology to bring maximum exposure to our attendees, so we make sure the event is a blend which covers professionals such as researchers, nurses, professors, doctors, students from academia & industry making the conference an enriching valley of information and experience.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following Speakers were highlighted as Keynote speakers.

**Linh Nguyen**, The University of Texas MD Anderson Cancer Center, USA

**Ebtsam Aly Abou Hashish**, King Saud bin Abdul-Aziz University for Health Sciences, Saudi Arabia
