

Past Conference Report of Applied Nanotechnology Summit China

Dr. Wolfgang Ensinger

*Full Professor, Department of Material Analysis, Technical University of
Darmstadt, Darmstadt, Germany, E-mail: ensinger@ma.tu*

Thanks for attending 31st Annual Congress on Nanotechnology and Nanomaterials May 15-16, 2019 Prague, Czech Republic

Nanotechnology Summit 2020 witnessed an amalgamation of outstanding speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the field of Nanotechnology. With the attendance of young and brilliant researchers, business delegates and talented student communities representing diverse countries around the world

The meeting captivated a vicinity of utilitarian discussions on novel subjects like Advances in Directors, Principal Investigators, Methodologists, and other research professionals along with Academicians: University Faculties like Directors, Senior Professors/Assistant Professors/ Associate Professor, Research Scholars, scientists who are related to nanotechnology to mention a few. The conceptual and pertinent knowledge shared, will correspondingly foster organizational collaborations to nurture scientific accelerations

The keynote presentations were given by:

- Riny Yolanda Parapat Itenas Bandung-TU, Berlin Germany
- Pedro Gomez-Romero Catalan Institute of Nanoscience and Nanotechnology, ICN2. Spain
- Masaru Matsuo Dalian University of Technology China
- Jordi Arbiol Institut Català de Nanociència i Nanotecnologia (ICN2), CSIC Spain
- Jeon Han Yong INHA University South Korea
- Daniel Choi Masdar Institute of Science and Technology UAE
- Mary Mehrnoosh Eshaghian-Wilner University of South California USA
- Sushanta K Mitra Waterloo Institute for Nanotechnology Canada
