## Past Conference Report@Nephrology Meeting 2020

**Hamid Yahya Husain**

*Professor, Health Affairs Department, Nephrologist, Dubai Health Authority, UAE, E-mail: hussainh569@gmail.com*

After successful completion of our previous Nephrology and Urology Conference entitled “4th International Nephrology and Urology Conference” which has been scheduled at Osaka, Japan during June 19-20, 2019. This Nephrology 2019 Conference was previously designed to offer complete platform wherein global-class Professors, Doctors, Scientists, Student Researchers and Analyst to talk about techniques for diagnosis and control of kidney and urological related issues. Major highlights of Nephrology 2020 were Advances in Nephrology, Robotic Nephrectomy, Dialysis, Female Urology and Kidney Transplantation. Nephrology 2019 had 5 OCMs and 18 renowned speakers with famous Media Partners.

This Nephrology 2019 Conference had completed with technical sessions, workshops, symposia and oral sessions. Nephrology 2019 had covered with keynote Forums like 1) Title: Acute kidney injury in children in the department of Nephrology of Tizi Ouzou University Hospital, etiologies and results by Atmane Seba, Tizi Ouzou Hospital University, Algeria 2) Title: Magnetic-assisted robotic surgery to facilitate reduced-port radical prostatectomy by Jeffrey A. Cadeddu, University of Texas and Oral sessions like 1) Paraneoplastic hepatic dysfunction with jaundice in a case of primary renal synovial sarcoma: A very rare scenario by Kalpesh Mahesh Parmar, PGIMER, India 2) Coexisting unknown diseases with chronic renal failure by Marilena G. Koukou, University of Athens, Greece 3) The effect of Calcium and Vitamin B6 supplementation on oxalate excretion in a rodent gastric bypass model of enteric hyperoxaluria by Benjamin K. Canales, University of Florida 4) Pediatric partial nephrectomy for upper urinary tract duplication anomalies: A comparison between different surgical approaches and techniques by Eyal Kord, Assaf Harofe Medical Center, Israel etc. We are glad to inviting all the experts, students, and delegates relevant to the field as attendees and performed well at our global Conference.

Last but not the least; we are obliged to various delegate experts, Company representatives, eminent personalities who supported the Conference by facilitating active discussion forums. We would like to convey our sincere gratitude to all the supporters from Editorial Board Members of our Open Access Journals, Keynote Speakers, Honourable guests, Valuable Speakers, Students, delegates and special thank s to Media Partners for their promotions to make this event a successful one.

The pragmatic meet organized by Meetings International received generous response from the Editorial Board Members of Scitechnol Journals as well as expertise from academia, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful events in 2018 from Meetings International Group. The conference was marked with the presence of renowned Speakers, Young Researchers, Students and Business Delegates driving the three day event into the path of success with thought provoking keynote and plenary presentations.

The scientific program paves a way to gather visionaries through the research talks and presentations and put forward many thought provoking strategies. Nephrology Meeting 2020 will schedule and coordinate all meetings with our Editorial board members and other experts in the field of Nephrology across the world.
