Awards 2020

The organising committee members of International Conference on "[4th International Conference and Expo on Aesthetic Medicine and Dermatology](#)" have finally revealed the theme for this year's "[Aesthetic Medicine Expo 2020](#)" conference and it is "**New Recommendations, Treatment and Prevention strategies of Dermatology**". Conference Series and the organising committee of Aesthetic Medicine Expo 2020 acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Dermatology, and has decided to introduce various achievement awards for all the participants. Aesthetic Medicine Expo 2020 conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at Aesthetic Medicine Expo-2020.

Expert Level (Scientific Service Achievement Award)

Expert Level: The award is meant to the experts who have made exceptional contribution in the field of Aesthetic Medicine and Dermatology Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award)

The distinguished "**Research Contribution Award**" at Professional Level will be awarded by the Organizing

participants of "**4th International Conference and Expo on Aesthetic Medicine and Dermatology**". The award will be presented for outstanding scientific achievement or service to the discipline of Dermatological diseases and disorders, Pediatric dermatology, Cosmetic dermatology and Dermatological surgery. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of Dermatology.

Scholar Level (The Upcoming Researcher Award)

4th International Conference and Expo on Aesthetic Medicine and Dermatology offers Scholar Level award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Aesthetic Medicine and Dermatology. Biologics & Pharmaceuticals conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

Deserving nominees can be awarded online as well.

Women Scientist (The Women of Science Award)

Aesthetic Medicine Expo 2020 provides a unique platform with "Women of Science Award" for women scientists for presenting latest research projects with an in-depth analysis. Aesthetic Medicine Expo 2020 invites Women scholars and scientists from Aesthetic Medicine and Dermatology fields. The committee encourages women scientist's through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.
