Allied Academies is proud to announce that our “**2nd Global Congress on Bacteriology and Infectious Diseases**” which was held June 12-13, 2019 in Bangkok, Thailand, received great success and reputation from across the globe. The conference was run under the theme “*Developing novel technologies & treatment to cure Infectious Diseases*” also received fabulous appreciation from the speakers. Young researchers and students gave their active participation and presented their innovative thoughts in the form of posters and oral presentations. We received generous response and considerate attendance at the conference from academicians, virologists, microbiologists and researchers.

The conference was initiated with the opening ceremony followed by the presentations of the Keynote speakers. They are as follows:

- “Developing Novel Technologies & Treatment to Cure Infectious Diseases”, **Ashwini Bhalerao, India**
- “Kala-azar elimination programme in South-East Asia region”, **Sujit K Bhattacharya, India**
- “Convergence and integration of life sciences and engineering-infectious diseases”, **Desineni Subbaram Naidu, USA**

After successful completion of our conference with massive and enormous response from the previous attendees, we are happy to put forward our upcoming conference “World Congress on Virology and Microbiology” which is going to be held during March 16-17, 2020 in Kuala Lumpur Malaysia. The main theme of the conference is “*Exploring the latest challenges to eradicate the Infectious Diseases and Virology*”.
