

Young Research Forum – Young Scientist Awards: Emergency Medicine 2020

John J Kelly*

Introduction

Emergency Medicine 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Emergency Medicine 2020. This Emergency Medicine 2020 Young Scientist Awards will be announced at the upcoming “Trauma, Emergency Medicine & Critical Care” at Rome, Italy this September 17-18, 2020.

This Young Scientist Award is an initiative of Hilaris Conferences to recognize and provide incentives to the Young Researchers who has shown a great potential at their respective field of research. We at Hilaris Conferences always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Emergency Medicine 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

About Hilaris

Hilaris Conferences is an open resource platform that conducts events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, Pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe. We encourage our authors and conference participants through research and travel grants, young research awards and provide assistance in career development and research guidance through 1000+ collaborations with NGOs, scientific and academic agencies, institutions that have signed MoU with us.

selves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first basis. Only 25 nominations are accepted globally

Basis for Judging

Nominated candidates need to present their research or talk for 25-30 minutes. Subject should be under the scope of the Emergency Medicine 2020 conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Emergency Medicine 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to emergencymedicine@hilarismeeet.com along with the online application at the Emergency Medicine 2020 Award page.

Presentation

This award will be presented at Rome, Italy during Emergency Medicine 2020 conference.

Prize

- We will recognize the awardee(s) with a Memento, & Certificate of Appreciation followed by special incentive for the next chapter of the conference.
- The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures.
- Opportunity will be given to be Student Ambassador for the subsequent future conferences.
