

Young Research Forum: Oncology Nursing 2020

Markus Haapasalo

Tampere University Hospital, Helsinki, Finland

Oncology Nursing Congress 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: At this Oncology Nursing and Cancer Care Congress 2020 Young Scientist Awards will be announced at the upcoming “28th Euro-Global Congress on Oncology Nursing and Cancer Care” at Rome, Italy this October 19-20, 2020.

About Allied Academies Conferences (AAC)

Allied Academies every year hosts interdisciplinary international conferences worldwide on cutting-edge basic and applied research in life sciences, Pharma, Medicine, Healthcare and Nursing delivered by the best talents in industry and academia. Our conferences are oriented to drive the scientific community at large, facilitating access to the newest technical and scientific achievements and to shape future research directions through the publication of applied and theoretical research findings of the highest quality.

Bound together Allied Academies has transformed into a prominent choice for the experts and academicians to display their marvellous duties. The distributor gives pursuers and creators an aggregate stage to confer their work to the overall gathering.

Allied Academies Conferences aims to gather the Researchers, principal investigators, experts and researchers working under academia and health care industry, Business Delegates, Scientists and students across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences. This academic occasion to revitalize the enduring connections and flash with new peers around the globe.

Meet the Global Inspiring Experts and Speakers at Allied Academies Conferences to talk about on new advances in the field of medical and engineering to improve health and treatment and additional innovations. Our Conferences is not just to make a phase to exchange estimations to the enormous social occasion of individuals, yet also endeavour to spread focused and research advances in the clinical and physiological parts of various fields.

Eligibility criteria for Young Scientist Awards: Oncology Nursing and Cancer Care 2020:

Young Scientist Awards is for all young Researchers, Research Scholars (*Preferably PhD, Post Doc, and Postgraduates & Graduates*) who have involved themselves in the R&D sector. The candidates should have a minimum of 3+ years of research experience and published a minimum of 3 research articles in International journals. Part-time researchers can be considered subject to recommend by the research guide or any director level designated person from the organization.

Applications are invited on a first come first basis. Only 25 nominations are accepted globally.

Basis for Judging

Nominated candidates need to present their research or talk for 25-30 minutes. The subject should be under the scope of the Oncology Nursing 2020 conference. Selection will be based on individual accomplishments, quality & standards of research, noble thought, research approach, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination:

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The first author must be the student & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Oncology Nursing Congress 2020: Young Researcher Award should send their resume, along with a letter of recommendation (*from a research adviser/faculty/organization heads*) to contact@alliedacademies.com along with the online application at the Oncology Nursing 2020 page.

Presentation:

This award will be presented at Rome during Oncology Nursing 2020.

Prize

- We will recognize the awardee(s) with a memento, & Certificate of Appreciation followed by a special incentive for the next chapter of the conference.
- The prize-winning papers will be considered for publication in the supporting journals subjected to standard review procedures.
- Opportunity will be given to be the Student ambassador for the subsequent future conferences.
