#### Young Scientist Awards

Prestigious Award for Young Research's at MARINE SCIENCE-CONF-2020 Discovering New Exploration in Marine Science field

Marine Science Conference Committee is glad to announce "Global Summit on Marine Science and Oceanography" during November 04-05, 2020 Sydney, Australia by focus on the theme: "latest Advancement in the direction of Marine Life."

MARINE SCIENCE-CONF-2020 developments are maintaining their momentum. Marine Science Conference program delves into strategic discussions.

#### MARINE SCIENCE-CONF-2020 Young Scientist Awards:

Marine Science Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Marine Science and Oceanography.

Young Research's Awards at MARINE SCIENCE-CONF-2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the MARINE SCIENCE-CONF-2020 young research forum.

#### Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.

- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

#### Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in MARINE SCIENCE-CONF-2020

The MARINE SCIENCE-CONF-2020 offers "Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation Award" to the individuals who presented their Masters/Ph.D./Post Doctorate thesis and who will present their projects and thesis that have been implemented to improve long-term excellence in the field of Marine Science. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of Marine Science and Oceanography.

**Note:** The participants can nominate the individual deserving the award through online.

#### Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

MARINE SCIENCE-CONF-2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join MARINE SCIENCE-CONF-2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our MARINE SCIENCE-CONF-2020 more successful.

Global Summit on Marine Science and Oceanography is among the World's leading Scientific Conference. The two-day event on Marine Life practices will host 60+ Scientific and technical sessions and sub-sessions on innovative researches in the field of Marine Science and Oceanography across the globe. MARINE SCIENCE-CONF-2020 will constitute of 21 major sessions designed to offer comprehensive sessions that states current issues in the various field of Marine Science and Oceanography.

Conference Series LLC LTD organizes 1000+ Global Events inclusive of 300+ Conferences, 500+ Upcoming and Previous Symposiums and Workshops in USA, Europe & Asia with backing from 1000 more logical social orders and distributes 900+ Open access diaries contains more than 30000 famous personalities, reputed scientists as editorial board members.

#### About Conference:

Marine Science Conf 2020 is providing a international platform to talk about and learn about Oceanography, Marine Sciences, Marine Biology, and Marine Geology,

Marine ecology to change their knowledge, experience and research innovations. The theme of Marine Science Conf 2020 Conference is latest advancement in the direction of Marine Life.

Conference Series LLC Ltd Organizes 1000+ Global Events inclusive of two 300+ International Conferences, 500+ Workshops and 200+ Symposiums each year across USA-Europe & Asia with support from 1000 more scientific societies and publishes 400+ Open access journals which contains over 30000 eminent personalities, reputed scientists as editorial board members.

Conference Series LLC Ltd invitations all the scholars from all over the world to attend and present their respective scientific research at "Global Summit on Marine Science and Oceanography" for the duration of November 04-05, 2020 Sydney, Australia which consists of prompt Keynote presentations, Oral talks, Poster presentations, Delegate views and Exhibitions.

Why to attend?

The convention will provide a forum for alternate of latest research results with members from round the world focused on learning about oceanography research and marine biology, for discussion of future challenges in implementation and innovation of new technologies, marine pollution, marine environment and interactions and also the conference will display the latest advances in instrumentation

Conference Series LLC successfully hosted the 2nd Aquaculture & Fisheries during July 11-13, 2016, at Kuala Lumpur, Malaysia. We are thankful towards Organizing Committee Members, Speakers, Delegates, Sponsors, Exhibitors, Students, Collaborators, Preconference Workshop Organizers, Symposium Organizers, Media Partners, and Editorial Board Members for their continuous and outstanding support to make this conference a successful and Aquaculture Summit 2016 offers its heartfelt appreciation to Organizations and associate Partners and Sponsors and Exhibitors such as INTER AQUA Advance A/S (IAA) also obliged to the Organizing Committee Members, adepts of field, various outside experts, company representatives and other eminent personalities who interlaced in the congress.

The conference commenced with the presence of worthy Keynote forum and among the notable ones, few are listed below.

1. Special Session on "'Giant Freshwater Prawn networking, farming innovation and stock conservation" " during July 11-13, 2016 at Conference venue by Shahreza Md Sheriff, University Malaysia Terengganu, Malaysia

2. Workshop on "Eco-hydrology and ecological biotechnologies for improvement of water quality for and from aquaculture" during July 11-13, 2016 at Conference venue by Maciej Zalewski, European Regional Centre for Eco-hydrology, Poland

Conference series is organizing Global Summit on Marine Science and Oceanography which is going to be held on November 04-05, 2020 at Sydney, Australia. The conference is going to cover the entire field related to Marine Science and Aquaculture research and findings. Our Conference will provide a platform where research scholars and students will be able to gain knowledge about new, innovative research and findings from the eminent Scientist, Researchers and Professors as well.

**Scientific Sessions:** Deep Sea Mining | Marine Pollution | Marine Natural Products Chemistry | Marine Chemical Biology | Marine Geology | Ocean Biogeochemistry | Marine Engineering and Technology | Colored dissolved organic matter | Molecular Biology, Biotechnology and Marine Toxicology | Marine Biology | Coastal Ecology | Brackish Water | Fisheries Biology and Management | Marine heavy metals poisoning marine toxicology | Ocean acidification | Marine Nutrients | Marine Chemistry
