### Young Researchers Forum - Young Scientist Awards Conference on Nutritional Science and Research

**Dr. Ashraf Tag-Eldeen**

*Professor and Management Consultant Alexandria University, Egypt, E-mail: a\_tageldeen@hotmail.com*

Prestigious Award for Young Research's at Nutritional Science 2020 - Building and Sustaining International Relationships field. [Nutritional Science Conference Committee](#) is glad to announce "Conference on Nutritional Science and Research" during July 30-31, 2020 in Rome, Italy by specialize in the theme: "Latest Technology in Nutrition Science and Research".

The [International Conference on Nutritional Science and Research 2020](#) that focuses on the latest technology in nutrition science and research that are going on in the field of Nutrition and Dietetics. Nutrition conferences are mandatory to know about the advancements in the field as in the present scenario researches on Nutrition will have greater impact on various ailments and well-being of life. There is need to know about the advancements as the world is nearing to majority of malnutrition cases. We invite Researchers, Food Technologists, Nutritionists, Dieticians, Physicians, Doctors and Industrialists to discuss the advancements in the field by attending the Nutrition meetings. The conference will be a platform to present your research and to show your innovations in Nutritional science. The conference is to be on October 05-06 2020 in London, U.K. Students are also invited to attend the Nutrition summit and gain the knowledge about researches in nutrition. Nutrition, the assimilation by living organisms of food materials that enable them to grow, maintains them, and reproduces.

#### Criteria for Selection:

- Showcase your research through oral presentations.
- Learn about career development and therefore the latest ideas and technologies in start-up field.
- This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.
- Develop a foundation for collaboration among young scientists.
- The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world. Interact and share ideas with both peers and mentors.
- Opportunity for young researchers to find out about the research areas of their peers to extend their capacity as multidisciplinary researchers.
- Actively distribute information and promote the advantages of education and career matters.

#### Conference Highlights:

- Nutrition and Health
- Nutrition Metabolism
- Nutritional Biochemistry
- Nutritional Neuroscience
- Biochemical and Molecular Nutrition
- Clinical Nutrition
- Nutritional Deficiency and Disorders
- Nutrition and Cancer

- Nutrition in Clinical Practice
- Human Nutrition
- Advances in Nutrition
- Livestock Nutrition
- Food Safety and Toxicology
- Food Analysis and Quality Control
- Food Technology
- Holistic Integrative Nutrition
- Medical Nutrition Therapy MNT and Dietary Assessment
- Food Public Health Nutrition
- Public Health Research
- Food Innovations
- Advanced Food Technologies
- Global Strategy on Nutrition

#### Nutritional Science and Research 2020 Young Scientist Awards:

[Nutritional Science and Research Conference Committee](#) is meant to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a robust professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Nutritional Sciences Young Research's Awards at Nutritional Sciences and Research 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Conference on Nutritional Science and Research young research forum.

#### Awards & Rewards:

- Showcase your research through oral presentations.
- Learn about career development and therefore the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world.
- Interact and share ideas with both peers and mentors
- Opportunity for young researchers to find out about the research areas of their peers to extend their capacity as multidisciplinary researchers.
- Actively distribute information and promote the advantages of education and career matters.

#### Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.

- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

[Nutrition Science and Research 2020](#) provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Nutrition Science 2020 for promoting your research article and to

facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Nutritional Science 2020 more successful.

**Best Regards,**

Alley Marton
