Young Researchers Forum - Young Scientist Awards Physio- Sports Medicine 2020

Gerald Tan

Tan Tock Seng Hospital, Singapore 308433, SINGAPORE, E-mail: mail@geraldtan.com

Prestigious Award for Young Research's at **Physio-Sports Medicine 2020**- Discovering New Exploration in **Physiotherapy** field.

[Physiotherapy Conference Committee](#) is glad to announce "International Conference on Physiotherapy, Kinesiology and Sports Medicine" during **February 19-20 2020** in **Osaka, Japan** by focus on the theme: "Best Practices and Recent Advancements in Physiotherapy and Sports Medicine - A way Forward to Best Therapy"

Physio-Sports Medicine 2020 developments are maintaining their momentum. Physiotherapy Conference program delves into strategic discussions.

About Physio-Sports Medicine 2020:

[Physio-Sports Medicine 2020](#) Conference is a dedicated platform for all Physical Therapists and Occupational Therapists working as a clinicians, managers, researchers, students or educators to share their knowledge and experiences in the field of physical therapy and occupational therapy and to network with colleagues from around the world and interact with international leaders in their field. By providing access to on-going education and networking opportunities, the Conference hopes to strengthen the profession advancing practice for the benefit of populations and the individual patients we serve.

Physio-Sports Medicine Conference 2020 that aims at bringing together all the Physiotherapists and Fitness professionals, students to provide an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices in our International Meetings. [Physiotherapists 2020](#) is a multi-disciplinary conference of physiotherapists, physicians, sports and fitness medicine professionals dedicated to work, education, research, advocacy and the care of athletes of all ages.

The majority of Physio-Sports Medicine 2020 Attendees will be Physiotherapists, Doctors, Academic Professors, Lecturers, Board Directors, Deans, CEOs, and Researchers. Also, we will be seeing the Physical health professionals like Physical Therapists, Nutritionists, Sports Psychologists, Exercise Physiologists, and Primary Care Physicians with fellowship training and added qualification in sports medicine that then combine their practice of sports medicine with their primary specialty

Past Conference Report

Physiotherapy 2018, hosted by Conference Series was successfully held during November 19-20, 2018 in Bangkok, Thailand. The conference highlighted the theme "Enlightening the advancements and exploring the new horizons in Physiotherapy". The conference was a congregation of eminent

speakers from various reputed organizations with their paramount talks enlightening the gathering.

Conference Series hosted a diverse panel of key members of the physiotherapy community from Academia, Research lab, Eminent Scientist, Scholar Students to discuss the theme of the conference, approaches to predict, control and relieve. This event was aimed to exchange ideas and experience across a variety of topics that cover the latest insights in important aspects of pain management and rehabilitation, optimal use of analgesics and chronic pain medication, other approaches such as physical therapy and surgical interventions and updates on Physiotherapy field.

The conference witnessed an amalgamation of peerless speakers, who enlightened the crowd with their enviable research knowledge and on various alluring workshops related to the field of physiotherapy, carried out through various scientific-sessions and plenary lectures.

The highlights of the meeting were the eponymic Keynote lectures from:

Dr. [Raymond Chong, Augusta University, USA](#)

Title: [Postural adaptation to somatosensory conditioning](#)

Dr. Areerat Suputtitada, Chulalongkorn University, Thailand

Title: [Transcranial direct current stimulation \(tDCS\) for neurorehabilitation](#)

We sincerely thank our moderators Dr. Abhijit Narayanrao Merekar, Vikhe Patil Foundation, India

We would also like to thank all the session chair Raymond Chong, Augusta University, USA for helping us in smooth functioning of the sessions.

We extend our grateful thanks to all the momentous speakers like

[Abhijit Narayanrao Merekar, Vikhe Patil Foundation, India](#)

Title: Vitex negundo phonophoresis: A key for pain free life in knee osteoarthritis

[Shwufen Wang, National Taiwan University, Taiwan](#)

Title: Decrease of range of motion in hip rotation in patients with unilateral low back pain

[Mohammadreza Kasnavi, Shahid Beheshti University of Medical Sciences, Iran](#)

Title: The effects of upper extremities massage on information processing speed and anticipatory skills in female overhead athletes

1. Phiangdao Artchaitorn, Khon Kaen University, Thailand
2. Sung-Min Ha, Sangji University, South Korea
3. Jung Sung hoon, Yonsei University, South Korea
4. In-Cheol Jeon, Hoseo University, South Korea
5. In-Cheol Jeon, Hoseo University, South Korea

6th International Conference on Physiotherapy November 19-20, 2018 Bangkok, Thailand was a great success with the support of International Multi-professional Steering Committee and coordinated by Journal of Novel Physiotherapy, Journal of Pain & Relief, and International Journal of Physical Medicine & Rehabilitation.

With the valuable feedback and generous response received from the participants of the event, we are happy to announce our [International Conference on Physiotherapy,](#)

[Kinesiology and Sports Medicine](#) which will be held during February 19-20, 2020 Osaka, Japan.

The conference highlights of Physio-Sports Medicine 2020 are as follows: Physiotherapy in Treatment & Care| Physiotherapy methods and Instrumentation |Sports Physiotherapy and Sports Medicine |Sports Science & Exercise Physiology| Kinesiology & Biomechanics| Spine and Spinal Cord Injury | Paediatric Physiotherapy| Cardiac Physiotherapy |Geriatric Physiotherapy| Hydrotherapy in Physiotherapy| Naturopathic Physical Medicine| Neurological Physiotherapy and treatments| Acupuncture| Yoga & Fitness in Physical Therapy| Orthopaedics| Rheumatology| Women's Health & Palliative Care |Occupational Therapy |Ageing and Healthcare| Traditional and Complementary physical therapy medicine.

Physio-Sports Medicine 2020 Young Scientist Awards:

[Physiotherapy Conference Committee](#) is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of **Physiotherapy & Sports Medicine**.

Young Research's Awards at **Physio-Sports Medicine 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **Physio-Sports Medicine 2020** Young Research Forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs

- All submissions must be in English.

Physio-Sports Medicine 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join **Physio-Sports Medicine 2020** for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Physio-Sports Medicine 2020 more successful.

About us:

Conference Series LLC Ltd and its subsidiaries including iMedPub Ltd and Conference Series Organise 3000+ Conferences across USA, Europe & Asia with support from 1000 more scientific societies and Publishes 700+ Open Access Journals which contains over 50000 eminent personalities, reputed scientists as editorial board members.

Conference Series LLC Ltd is an amalgamation of Open Access Publications and worldwide international science conferences and events. Established in the year 2007 with the sole aim of making the information on Sciences and technology "Open Access", Conference Series LLC Ltd publishes scholarly journals in all aspects of Science, Engineering, Management and Technology journals. Conference Series LLC Ltd has been instrumental in taking the knowledge on Science & technology to the doorsteps of ordinary men and women. Research Scholars, Students, Libraries, Educational Institutions, Research centers and the industry are main stakeholders that benefitted greatly from this knowledge dissemination. Conference series LLC Ltd also organizes 3000+ International conferences across the globe, where knowledge transfer takes place through debates, round table discussions, poster presentations, workshops, symposia and exhibitions.
