Young Research Forum

Around 1.3 billion people from all over the world live with some visual impairment. Leading cause for visual impairment is uncorrected refractive errors, cataract, age-related macular degeneration, glaucoma, diabetic retinopathy, corneal opacity and trachoma. According to World Health Organization 80% of these casualties are easily avoidable. This helpless problem calls for immediate attention to the nearly one in six of the world's population. Conference series LLC Ltd invites all participants from around the globe to its very prestigious International Conference on Virology and Virology on April 13-14, 2020 at, London. UK. The meeting gives detailed description on the theme of "Evaluating and implementing a new Technology in vision and Virology"

Conference series organize 3000+ Global Events inclusive of 2000+ Conferences, 500+ Workshops and 500+ symposiums on various topics of Science and Technology across the globe with support from 1,000 more scientific societies and Publishes 900+ Open access journals which contains over 50,000 eminent personalities, reputed Scientists as Editorial Board Members.

International Conference on Virology is a very crucial area of research. The theme of this year's meeting which is going to held on 13, 14 April 2020 is Exploring current trends & future innovations in Virology which will provide an international platform for discussion of present and future challenges in Virology treatments regarding various diseases.

Prestigious Award for Young Research's at [Virology Congress-2020](#) - Discovering New Exploration in Virology field

Virology Congress 2020 developments are maintaining their momentum. Virology Conference program delves into strategic discussions.

Virology Congress 2020 Young Scientist Awards:

Virology Congress 2020 Conference Committee intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees,

Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of **Virology Congress 2020**.

This explains the researches done from the different parts of the world. Researchers dealing with Eye Research regarding many diseases of [Virology Congress-2020](#). The most eminent speakers are welcome to regard the meeting. The most recent information regarding diseases, surgeries, preventions etc and the most upcoming redesigns in the field of **Virology Congress 2020** are highlights of this meeting. Virology Conference Committee is glad to announce "International Conference on Virology" April 13 -14, 2020 in London, UK. **Virology Congress 2020** developments are maintaining their momentum. Virology Conference program delves into strategic discussions.

Virology Congress 2020 will be having following Young Scientist Awards:

Virology Congress 2020 Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Virology.

Young Research's Awards at **Virology Congress 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **Virology Congress 2020 young research forum**.

Virology Congress 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join **Virology Congress 2020** for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our **Virology Congress 2020** more successful.

The benefits for Young Researchers Forum are listed below:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.

- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

The candidates who are eligible for this forum are Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience, presentation must be into scientific sessions of the conference., each Young Researcher / Young scientist can submit only one paper (as first author or co-author), age limit-Under 35yrs and all submissions must be in English.

The prize-winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

The prize-winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

Young Research's Awards at **Virology Congress 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **Virology Congress 2020** young research forum.

Kindly note that:

Last date for Initial application December 30 – \$399

Last date for Initial application January 30 – \$499

Last date for Initial application February 28 – \$599

Criteria for Selection

- Showcase your research through oral presentations.
- Learn about career development and the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.
- Interact and share ideas with both peers and mentors.
- Opportunity for young researchers to learn about the research areas of their peers to

increase their capacity as multidisciplinary researchers.

- Actively distribute information and promote the benefits of education and career matters.

Awards & Rewards
