Awards

Lexis Conferences invites the participants from all over the globe to take part in “**Cytology and Cytopathology**” during **November 23-24, 2020 at Miami, USA**. The conference focuses on the theme: “Innovation trends of Cytology and Cytopathology”. Scientific sessions designed for this conference will assist the attendees and participants to learn extremes.

[Cytopathology](#) 2020 aims proclaim knowledge and share new ideas amongst the professionals, industrialists and students from research areas of Histopathology, Cytology, Cytopathology, Cancer Cytology, Drug Discovery, Cytopathology techniques, Immune diseases, and Cell Biology to share their research experiences and indulge in interactive discussions and special sessions at the event.

Cytopathology 2020 Conference brings you an immense opportunity to be a part of scientific acceleration to Eminent Scientists/Research Professors in the field of Cytology, Cytopathology Techniques, Junior/Senior research fellows in [Cytology](#), and Cytopathology Therapies, Students, Directors of Immunology companies, Pharma Company Member, Members of different cell biology, cytology & cytopathology associations, world class personalities, young scholars, scientific delegates and young scientists to join in this forum to utilize the expertise and novelties that brings a new era for revolutions in the field of cytology which brings well versed scrutinizers at one place. It provides a platform to have open discussions, knowledge sharing and interactive sessions with field experts at Cytopathology 2020.

Prestigious Award for Young Research's at Cytopathology 2020 - Discovering The Innovation trends of Cytology and Cytopathology

Cytology & cytopathology Therapies Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Cytology & Cytopathology Therapies.

[Young Researches Awards](#) at Cytopathology 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Cytopathology 2020 young research forum.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners.

- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field.
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Eligibility:

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

Cytopathology 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Cytopathology 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Cytopathology2020 more successful.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

How to apply

Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty member) to cytopathology@eventcontact.org along with the online application form below.
