

Young Research Forum

Young Scientist Awards at 3D Printing 2020 for the best researches in 3D Printing and Additive Manufacturing

Dimitrios Chronopoulos

Associate Professor, Department of Mechanical Engineering, University of Nottingham, UK,

E-mail: Dimitrios.Chronopoulos@nottingham.ac.uk

[Meetings International](#) is announcing Young Scientist Awards through [3rd International Conference on 3D Printing and Additive Manufacturing](#) (3D Printing 2020) which is scheduled at Paris, France during May 22-23, 2020. This [3D Printing](#) focuses on "3D PRINTING: THE MANUFACTURING TECHNOLOGY THAT WILL CHANGE THE WORLD".

3D Printing 2020 and [upcoming conferences](#) will recognise participants who have significantly added value to the scientific community of environmental science and provide them outstanding [Young Scientist Awards](#). The Young Scientist Award will provide a strong professional development opportunity for young researches by meeting experts to exchange and share their experiences at our [international conferences](#).

[3D Printing](#) focuses mainly on Advances in 3D printing & additive manufacturing, Innovations in 3D printing, 3D printing materials, Impact of 3D printing on manufacturing industry, Applications in health care & medicine, 3D printing in biomaterials, Polymers in 3d printing, 3D printing in space and aerospace, 3D printing in automotive industry, Additive manufacturing and 3d robotics, Digital Light Processing (DLP) 3d printing. [3D Printing conference operating committee](#) is providing a platform for all the budding young researchers, young investigators, post-graduate/Master students, PhD. students and trainees to show case their research and innovation.

Eligibility:

Young Scientists, faculty members, post-doctoral fellows, PhD scholars and bright Final Year MSc and M.Phil. candidates. Persons from Scientific Industry can also participate.

Benefits: The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

- Acknowledgement as YRF Awardee
- Promotion on the conference website, Young Researcher Awards and certificates
- Link on the conference website
- Recognition on Meetings Int. Award Page
- Chances to coordinate with partners around the world
- Research work can be published in the relevant journal without any publication fee

Criteria:

- All presented abstracts will automatically be considered for the Award.

- All the awards will be selected by the judges of the award category
- The winners of the Young Scientist Award will receive award certificate.
- The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

Guidelines:

- All submissions must be in English.
- The topic must fit into scientific sessions of the conference
- Each individual participant is allowed to submit maximum 2 papers
- Abstract must be submitted online as per the given abstract template
- Abstracts must be written in Times New Roman and font size will be 12
- Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

Conditions of Acceptance:

receive the award, the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT, and permission within the designated timeframe will result in forfeiture of award.

It Award Announcements:

The Official announcement of the recipients will occur after the completion of 3D Printing Conference.
