

Awards 2020

Young Scientist Awards at Brain 2020 for the best researches in Brain and Neurology

Janice Hoffman

Associate Professor, Department of Pharmacy Practice, Western University of Health Sciences, USA, E-mail: hoffman.wu@edu

[Meetings International](#) is announcing [Young Scientist Awards](#) through 2nd International Conference on Brain Stimulation (Brain 2020) which is scheduled at Zurich, Switzerland during June 22- 23, 2020. This [Brain 2020](#) conference focuses on "Advancements and Innovations in the field of [Brain research](#)".

[Brain 2020](#) and upcoming Brain conferences will recognize the participants who have significantly added value to the scientific community of [Brain and Neurology](#) and provide them outstanding [Young Scientist Awards](#). The Young Scientist Award will provide a strong professional development opportunity for young researches by meeting experts to exchange and share their experiences at our international conferences.

[Brain 2020](#) focuses mainly on Brain Disorders and Neuroimmuno Disorders, Brain Stimulation and Devices, Neurophysiology, Neuroimaging and Radiology, Foetal consciousness and memory, Neuropsychiatry and Behavioural science, Coma Vs Brain Death, Neuroanesthesia and Care, Organ Donation and Complications. Brain conference operating committee is providing a platform for all the budding [young researchers](#), young investigators, post-graduate/Master students, PhD. students and trainees to showcase their research and innovation.

Eligibility:

[Young Scientists](#), faculty members, post-doctoral fellows, PhD scholars and bright Final Year MSc and M.Phil. Candidates. Persons from Scientific Industry can also participate

Benefits:

The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

- Acknowledgement as YRF Awardee
- Promotion on the conference website, [Young Researcher Awards](#) and certificates
- Link on the conference website
- Recognition on Meetings Int. Award Page
- Chances to coordinate with partners around the world
- Research work can be published in the relevant journal without any publication fee

Criteria:

- All presented abstracts will automatically be considered for the Award.
- All the presentation will be evaluated in the conference venue
- All the awards will be selected by the judges of the award category
- The winners of the Young Scientist Award will receive award certificate.
- The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

Guidelines:

- All submissions must be in English.
- The topic must fit into scientific sessions of the conference
- Each individual participant is allowed to submit maximum 2 papers
- Abstract must be submitted online as per the given abstract template
- Abstracts must be written in Times New Roman and font size will be 12
- Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

Conditions of Acceptance:

To receive the [award](#), the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT, and permission within the designated timeframe will result in forfeiture of award.

Award Announcements:

Official announcement of the recipients will occur after the completion of [Brain Stimulation](#) Conference.
