Young Scientist Awards at Genome Editing 2020 for the best researches in Genome Editing and Gene Therapy

William J. Rowe

Former Assistant Clinical Professor of Medicine, Medical University of Ohio,
Toledo, USA, E-mail: rowefemsinspace@gmail.com

[Meetings International](#) is announcing Young Scientist Awards through 5th International Conference on Genome Editing and Gene Therapy (Genome Editing 2020) which is scheduled at Osaka, Japan during August 19-20, 2020. This Genome Editing conference focuses on “Innovation Techniques involved in Genetics and Genome Summaries”.

Genome Editing 2020 and [upcoming conferences](#) will recognise participants who have significantly added value to the scientific community of environmental science and provide them outstanding Young Scientist Awards. The [Young Scientist Award](#) will provide a strong professional development opportunity for young researches by meeting experts to exchange and share their experiences at our [International Conference](#)

[Genome Editing 2020](#) focuses mainly on Genome editing or genome engineering, or gene editing, is a type of genetic engineering in which DNA is inserted, deleted, modified or replaced in the genome of a living organism. [Genome Editing conference operating committee](#) is providing a platform for all the budding young researchers, young investigators, post-graduate/Master students, PhD. students and trainees to showcase their research and innovation.

Eligibility

Young Scientists, faculty members, post-doctoral fellows, PhD scholars and bright Final Year MSc and M.Phil. Candidates. Persons from Scientific Industry can also participate.

Benefits

The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

- Acknowledgement as YRF Awardee
- Promotion on the conference website, Young Researcher Awards and certificates
- Link on the conference website
- Recognition on Meetings Int. Award Page
- Chances to coordinate with partners around the world
- Research work can be published in the relevant journal without any publication fee

Criteria

- All presented abstracts will automatically be considered for the Award.

- All the presentation will be evaluated in the conference venue
- All the awards will be selected by the judges of the award category
- The winners of the Young Scientist Award will receive award certificate.
- The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

Guidelines

- All submissions must be in English.
- The topic must fit into scientific sessions of the conference
- Each individual participant is allowed to submit maximum 2 papers
- Abstract must be submitted online as per the given abstract template
- Abstracts must be written in Times New Roman and font size will be 12
- Abstract must contain title, name, affiliation, country, speakers biography, recent photograph, image and reference

Conditions of Acceptance

To receive the award, the awardee must submit the presentation for which the award is given, for publication at the website, along with author permission. Failure to submit the PPT, and permission within the designated timeframe will result in forfeiture of award.

Award Announcements

Official announcement of the recipients will occur after the completion of Recycling Conference.
