Young Research Forum

[Meetings International](#) is announcing [Young Scientist Awards](#) through 6th International Meeting on [Traditional & Alternative Medicine \(Traditional Medicine 2020\)](#) which is scheduled at Osaka, Japan during June 22-23, 2020. This [Traditional Medicine](#) focuses on "*Exploring New Horizons in Traditional & Alternative Medicine*".

Traditional Medicine 2020 and upcoming conferences will recognise participants who have significantly added value to the scientific community of Traditional Medicine and provide them outstanding Young Scientist Awards. The Young Scientist Award will provide a strong professional development opportunity for young researchers by meeting experts to exchange and share their experiences at our International conferences.

Traditional Medicine 2020 focuses mainly on [Traditional Chinese Medicine](#), [Acupuncture](#), [Ayurveda](#) & [Physiotherapy](#), [Homeopathy](#) & [Folk Medicine](#), [Herbal](#) & [Naturopathic Medicine](#). Traditional Medicine conference operating committee is providing a platform for all the budding young researchers, young investigators, post-graduate/Master students, PhD. students and trainees to showcase their research and innovation.

It includes a wide range of Keynote presentations, Oral talks, Poster presentations, Symposia, Workshops, Exhibitions and Career development programs. This conference could be an excellent occasion that brings along novel and worldwide blend of monster, driving colleges and Institutions making the gathering a perfect stage to share mastery, encourage coordinated efforts

over the world and reveal advancements in Traditional & Alternative Medicines.

Eligibility:

Young Scientists, faculty members, post-doctoral fellows, PhD scholars and bright Final Year MSc and M.Phil. Candidates. Persons from Scientific Industry can also participate.

Benefits: The Young Scientist Feature is a platform to promote young researchers in their respective area by giving them a chance to present their achievements and future perspectives.

- Acknowledgement as YRF Awardee
- Promotion on the conference website, Young Researcher Awards and certificates
- Link on the conference website
- Recognition on Meetings Int. Award Page
- Chances to coordinate with partners around the world
- Research work can be published in the relevant journal without any publication fee

Criteria:

- All presented abstracts will automatically be considered for the Award.
- All the presentation will be evaluated in the conference venue
- All the awards will be selected by the judges of the award category
- The winners of the Young Scientist Award will receive award certificate.
- The awards will be assessed as far as plan and format, intelligence, argumentation and approach, familiarity with past work, engaging quality, message and primary concerns, parity of content visuals, and by and large impression.

Guidelines:

- All submissions must be in English.
- The topic must fit into scientific sessions of the conference
- Each individual participant is allowed to submit maximum 2 papers
- Abstract must be submitted online as per the given abstract template
